

MOTORISTS MUST PLACE STICKERS ON WINDSHIELD

Oregon motorists were warned again today by the Office of Price Administration that they must display their mileage ration stickers conspicuously on their cars at all times. Many drivers have not been doing this, OPA reports. The OPA regulations provide that no person may use a class A, B, C, T-1 or T-2 coupon book unless a corresponding sticker is affixed to his car.

If he has more than one book, the motorist should display only the sticker corresponding to his highest allotment and not both stickers which would tend to obscure the windshield. If a driver persists in driving without a sticker on view, he is running the risk of losing his mileage rationing book altogether, the OPA said.

Dealers were also warned by the OPA of the penalties involved if they sold gasoline to a motorist who did not display a sticker corresponding to the type of ration book he held. Dealers who violate this regulation may be barred from receiving further deliveries, or from making further sales, the OPA stated.

There is one bright spot in the picture for stranded motorists. They can get one emergency unit of gasoline from a dealer in order to get their car to a source of supply but must leave their ration book with the dealer until their car is brought in for identification.

Holders of A, B, C and D coupon books were reminded again that they must write their car license number and state on the back of the coupons when buying gasoline.

REPORT LOSS OF GASOLINE BOOKS

Motorists are asked by the state OPA to report loss of any gasoline coupon book to their local rationing boards, to the police department, and if they hold a credit card, to their oil company.

In the event of theft, accidental loss, destruction or mutilation of any coupon book or bulk coupons, the OPA regulations provide that the holder may apply to his local rationing board for replacement, said the state office. The holder must apply in writing, under oath, giving his name and address, class, date and place of issuance of the book and its expiration date.

ENGINEERS' BAND TO GIVE CONCERT

A Christmas concert will be presented by the Engineer's 30-piece band tomorrow evening at 8:15 o'clock at Service club No. 2 and civilians interested in attending may call the hostess at Service club No. 2 who will make arrangements for civilians to secure admission to the camp.

The program includes: "March Religioso," "White Christmas," "Prayer and Dream Pantomime" from "Hansel and Gretel," "Yuletide Echoes" with soloist, Sgt. C. Christensen; "Ave Maria" by Schubert, and "Hallelujah" from the "Messiah."

STARTS DRIVE ON BELLS
Santa Rosa, Cal. (UP)—This city has donated its old fire bell to the war metal drive and urges sister municipalities to check up for cracked or other unemployed fire bells. Churches also, are asked to join in the move.

KIWANIS PLAN CHRISTMAS PARTY

At their regular Tuesday luncheon-meeting, the Kiwanis club of Medford made plans for their annual Christmas party for the "old folks" at the county home on the South Pacific highway. This party is held every year by the Kiwanis club which furnishes everything for the evening, and is looked forward to eagerly by the residents of the home. Plans were completed also for the luncheon next Tuesday with the Kiwanian Dames invited. This is also an annual affair, highlighted by the exchange of Christmas gifts among members and their ladies.

The club voted unanimously last week to help furnish patients at the Camp White hospital with used games and books, with each member pledging to bring something to the coming meeting which might lighten the time for the soldiers confined to the hospital.

W. E. "Gene" Thomas, president-elect of the club for the coming year, announced the appointment of S. M. Bullis as permanent program chairman for 1943.

OUTPOST TO TAKE VVV REGISTRATION

In carrying out plans for securing Victory Recreation Volunteers for Camp White recreation programs the Outpost has been requested by the Jackson County Recreation committee to receive telephone calls from the VRV's who are planning to attend the camp parties.

VRV's are asked to telephone or call in person at the Outpost to sign for each party in advance so transportation can be provided. Buses will leave the chamber of commerce at 7:30 p. m. Scheduled parties requiring transportation during this week are: Formal dance at Service club No. 1 tonight; recreation games party, December 28, Service club No. 1. Special dance for 21st Field hospital, December 29 and New Year's eve party at Service club No. 2.

PARK NATURALIST NOW NAVY OFFICER

Dr. George C. Rühle, naturalist of Crater Lake National park since June of 1941, was sworn in as a lieutenant in the U. S. naval reserve at Portland, December 15 and has received orders to report December 28 for active duty at Fort Schuyler, The Bronx, N. Y., according to the park service.

Dr. Rühle, who came here from Glacier National park, left by train Friday evening for his new assignment. He plans to stop at his old home town, Kanakake, Ill., to spend Christmas with his sister.

The park service said the park would have no naturalist for the duration of the war.

NURSERY SCHOOL TEACHERS RETURN

Allene Reynolds and Elizabeth Doty have returned to their duties at the Medford Nursery school after attending a series of lectures in Portland on the development of the pre-school child. This is sponsored by the WPA nursery school and is required training for all teachers in nursery schools receiving WPA aid. June Erickson and Vera Hollenbeck planned to

leave Saturday to attend the week's course.

Attendance of the teachers assures the pupils of the local school the benefits of the latest findings of eminent educators of the very young child. Included in the course are correct and successful procedure for the development of social and emotional adjustments of the child, latest recommendations in literature, magazines, games, music, feeding and play equipment.

Columbus, O. (UP)—At 85 years of age, Frank M. Humphrey today is making good at a brand new job. He's working as a Western Union messenger "boy" on a down-town route.

INSURANCE CLAIM PAID MRS. DOTY

The damage suit of Mary E. Doty against the Travellers Insurance company of Connecticut, scheduled for today in circuit court has been settled out of court. The county clerk advised the petit jury members, previously called, their appearance would not be necessary.

The suit was based upon non-payment on a travelling insurance policy, purchased by the plaintiff before a trip to Los

Angeles a year ago. En route, she alleged, she received injuries in an accident. Amount of the settlement was not revealed.

APOLLO STUDENTS TO ENJOY YULE PROGRAM

Students of Sebastian Apollo will present a musical program and enjoy a Christmas tree and party at the Baldwin Piano Shoppe at 745 tonight. There will be gifts on the tree for all the children connected with the Baldwin studio.

An invitation to attend the program has been issued the public, and soldiers especially are asked to be present if they so desire.

LIZARDS FOE OF SPIDERS
Los Angeles, Cal. (UP)—Dr. Raymond B. Cowles, zoologist at the University of California, urges the public to refrain from killing small alligator lizards. They subsist on black widow spiders, and constitute, as far as it known, the only protection afforded by nature to human beings against an over-abundance of the fatal insects.

LET US MAKE THIS A GOOD CHRISTMAS

Our chain of joyous, untroubled Christmases is broken. This Christmas will be different . . . but we can still make it a good one. All that Christmas means to us is in peril today. The peace and good-will, the warmth and cheer, the joyous gathering of family and friends . . . all these may be lost to us unless we dedicate ourselves wholly to the task of winning the war.

We must, with valiance and courage, preserve our Christmas spirit, so it will shine out for all the world to see. This Christmas, of all we have ever known, must be a good Christmas.
