Wall St. Report

New York, Jan. 7.—(UP)—President Roosevelt's state of the Union message had little influence on markets today. Bonds fluctuated irregularly, bonds moved higher under the lead of rails and commodities advanced with wheat at new five-year tops.

A new 1942-43 high for the utility average and weakness in movie shares featured the stock list. Trading was slightly above yesterday's slow pace. The market opened irregular, slipped down moderately prior to Mr. Roosevelt's address and then cut the losses slightly in later trading.

Berkeley, Cal. (UP)—To enable selectees to make the most of their time in Japan, after they get to Tokyo, the University of California is publishing a Japanese-English and English-Japanese dictionary and five easy readers. The readers are duplicates of ones used in the U. S. embassy school at Tokyo while the dictionaries include words that will be of special use to American soldiers and sailors—once they arrive there.

Chemical camouflage in the form of smoke seems to provide some soldiers with as much protection as 15 inches of armor plate.

FALSE TEETH

That Loosen
Need Not Embarrass
Many wearers of false teeth have suffered real embarrassment because their plate dropped, slipped or wobbled as just the wrong time. Do not live in fear of this happening to you. Just sprinkle a little FASTEST, the alkaline (non-acid) powder, on your plates. Holds false teeth more firmly, so they feel more comfortable. Does not sour. Checks "plate odor" (denture breath). Get FASTEST at any drug store.
