BRANDY IN SCHOOL Berkeley, Cal. -0J.P)- A new roblem in psychology has just een posed to psychological experts at the University of California. It is the problem of why a man should steal a textbook on psychology and a bottle of brandy at the same time. As the much experience with brandy, little progress is being made to-wards finding the reason. The theft occurred recently at the

with a cash loan.

Money also available for current needs. Automobile Loans up to \$500. Furniture Salary Loans up to \$300.

Up to 12 months to repay.
