

HOME PURITY COOKIES JUST WHAT THE NAME IMPLIES

Yes, they are really Home Purity—all home ingredients, as specified in recipes published in the leading Women's Magazines. Since the magazines make test bakes to prove the superior goodness before printing the recipes, we can truthfully say that every Home Purity Cookie has passed the test of recognized food experts.

Here is a List With Credit Given to the Magazine Furnishing the Recipe

Let's Keep Jackson County In the Lead In Bond Sales!

Our own Jackson County has heretofore led our state in per capita bond sales. Always right at the top of the list, it is only natural that when the county quotas were assigned the patriotism shown in former bond drives should cause Government officials to expect much from us.

Let's maintain the fine record of our County by buying to the limit! Let's continue to set the pace for Oregon in backing Oregon boys in the service. Let's go over the quota!
