DIFFICULTIES IN FUEL DELIVERIES

Because of limited manpower and equipment, close cooperation by home coal and wood users with the solid fuel industry will be necessary if everyone is to receive fuel this winter.

This statement was made today by Jim H. Busch, district manager of ODT's division of motor transport following the first meeting of the ODT district solid fuel advisory committee held for the purpose of planning adequate delivery facilities to solid fuel users this winter. The meeting, in the Medford office of the Office of Defense Transportation was attended by W. H. Reichstein, Everett C. Faber, H. S. Deuel, W. D. Whittle, and Henry Hermin.

Busch said that the committee headed by Reichstein, who was elected chairman, will make a complete survey of solid fuel delivery conditions in this area.

HANNA PONDER'S FEHL TAX CASE

Circuit Judge Herbert K. Hanna yesterday took under advisement the tax foreclosure proceedings instituted by Jackson county against Earl H. Fehl, Electa A. Fehl, and Corintha E. Stalley, for collection of back taxes accumulated since 1929, and filed in 1937. Amount involved is approximately \$5000.

Fehl, acting as his own attorney, argued that he was not a party to the action, inasmuch as he was confined in a state institution at the time of the filing. He further contended an appeal to the state supreme court is now pending.

The state was represented by District Attorney George W. Nelson. The action, pending for some time, is highly involved.

JUST WHOSE WAR IS THIS?

This isn't the soldiers' and sailors' war. It's yours and mine. It's America — and all we stand for—that the Axis is fighting. That's you and me. We don't have to go to the front to fight—we can send our money. If we don't do that, we're coasting while others carry the fight at the front AND at home. Everyone is either "motive power" or a drag on the war. Do ALL your share. In honor of a fighter you know—or know about—buy a BOND!
