## Cry of World Is For Peace; Church Alone Holds Promise

By E. Gilbert Cays.

The cry of the world today is for peace. Millions in war torn countries have been left homeless. They cry for peace. There are vacant chairs in most of the homes of the nations today; because loved ones from those homes have been called to war, many of them never to return. Uncertainties and confusion cause all of us to cry for peace. On the battlefields, men are facing the most gruesome, heart-rending conditions this world can provide. They want peace.

The Church alone holds the secret of an enduring peace for all men. The message of the Church is the message of peace. It points all men to Jesus Christ, who is the "Prince of Peace," and bids them to follow Him.

Do you want peace? Do you want to help bring peace to the world? Then identify yourself with the Church and help to proclaim its message of peace.

Santa Barbara, Cal. (U.P.)—A state-wide drive has been started here by the Santa Barbara County Farm Bureau to secure the return to Standard time for California. The bureau charges the war time is causing a farm labor loss of 10 to 15 per cent in all most all sections of California because it is too damp and foggy in the early morning to send the men to work in the field.
