MEXICANS WILL GET LETTERS OF THANKS

Salem, Ore., Oct. 8.—(Spl.)—When the 3,000 or so Mexicans who have been in Oregon helping with the harvest of crops return to their homeland this fall each will carry with him a letter of greeting and gratitude signed jointly by Governor Earl Snell and William A. Schoenfeld, dean and director of agriculture at Oregon State college. The letter, printed in Spanish, contains on the reverse side pictures of the state capitol and the agriculture hall on the campus.

MOTHER-IN-LAW CHEERS LONG SOUGHT RELIEF!

Had Been "Irregular" for Years!

Have you often despaired of ever finding normal regularity? Then, by all means, read this unsolicited letter:

"For many long years, my Mother-in-law had suffered from common constipation. She used to take all kinds of pills and medicines, but got no lasting relief. Upon starting to use KELLOGG'S ALL-BRAN, her trouble cleared up. She feels like a new person, she says. She wanted me to tell the world how your product helped her." Mrs. Feltine Hall, 744 East 160th Street, Bronx, N. Y.

How do scientists explain the apparent "magic" of KELLOGG'S ALL-BRAN's relief? Simply this: ALL-BRAN is one of Nature's most effective sources of "cellulose" elements—lack of which in sufficient amounts in the diet is a common cause of constipation! These elements help the friendly colonic flora fluff up and lighten the colonic wastes for easy, natural elimination. KELLOGG'S ALL-BRAN doesn't work by "purging"—or by "sweeping you out." It is a gentle-acting, "regulating" food!

If this is your trouble eat KELLOGG'S ALL-BRAN regularly. Drink plenty of water! See if you don't find the welcome relief you've hoped for! Insist on genuine ALL-BRAN, made only by Kellogg's in Battle Creek.

Montgomery Ward

This is the first year that Mexican nationals were brought into Oregon as farm workers. Their presence has been a valuable supplement to the local labor of neighbors and of city women and children, in making possible the successful harvesting of huge crops this year, according to J. R. Beck, state supervisor of the emergency farm labor service in the Extension service.
