TIGERS IN GOOD SHAPE FOR GAME AGAINST KLAMATH

No Serious Injuries in Eureka Clash — Arnold to Shake Up Center of Line.

With the exception of minor injuries, Medford high's Tigers came through their 6 to 6 deadlocked game with Eureka, Calif. at Eureka Saturday afternoon in good shape and, barring practice hurts this week, will enter the Klamath Falls clash next Friday night in Klamath in top physical condition.

Coach Lorne Arnold said Halfback Dale Niedermeyer suffered a bruised arm, End Gil Tully a bruised leg and Guard Jim Lynch an ankle injury. Otherwise, the Tigers took the game in stride, he stated.

Commenting on the battle, Arnold said the Tornado was inside the Eureka 10-yard line four times, but lost the ball twice on fumbles and twice on downs. The locals marched 92 yards in the fourth period, only to lose the pigskin on downs on the three-inch line just before the final gun.

On the other hand, Eureka got inside Medford's 40-yard line only twice, including a 58-yard pass play that led to the Logger touchdown. Arnold said that the Tornado's pass defense was good except for that one toss, Eureka having five intercepted and completing only eight out of 35.

Following Medford's touchdown, the attempt for the extra point was low and wide, while Eureka's effort to add the point failed when the ball hit the crossbar and bounced back.

Baker To Play

The Tornado will concentrate this week on downfield blocking and the coach said he would shake up the center of the line. Jack Baker, regular quarterback last year who has not seen action this season because of an early-summer shoulder injury, will be ready to go at a guard position, Arnold said. Ray Casebeer, who played three-quarters against Eureka, will probably be ready to step in the tackle berth of Bill Plaskett, who will be shifted to the other guard berth.

Arnold said these moves were designed to strengthen the middle-of-the-line defense along with increased offensive potency.

It was reported that Frank Ramsey, coach of the Klamath team which unmercifully slaughtered Oregon City Friday night, 71 to 0 for its fourth straight victory, scouted Medford Saturday morning making his presence known. He was seen in Medford Saturday night waiting for stage connections to Klamath.

Local fans who plan to attend the game in Klamath were advised by Principal Leonard B. Mayfield of Medford to write direct to Stanley Woodruff, Klamath Falls principal, for their tickets. In keeping with an ODT request, no tickets for the game will be available here, but Mayfield said he had requested Klamath to set aside a large block of reserved seats for Medford fans.

Irish, Army and Navy Rated Best Grid Teams in Country

By Carl Lundquist
United Press Staff Correspondent
New York, Oct. 11.—(UP)—Notre Dame, Army and Navy, ranked as the top collegiate football teams among 14 major unbeaten eleven today on the basis of their records and opposition thus far.

Notre Dame, in its best early season scoring form since Knute Rockne was its coach, was selected by many observers as the nation's top team after its 35-12 victory over previously undefeated Michigan. Army, still undefeated, defeated Temple 51 to 0, while Navy won 14-13 over previously unbeaten Duke. Each should win this week, Notre Dame playing Wisconsin, a one-time victor in four starts; Army meeting unvictorious Columbia at New York, and Navy taking on Penn State at Annapolis.

Rating only a shade behind were Pennsylvania in the east, Purdue, Iowa Pre-Flight and Minnesota in the middle west; Southwestern, Texas Christian and Texas A & M in the south; Colorado and Colorado college in the Rockies, and College of Pacific and Southern California on the Pacific coast.

The only perfect records certain to be in jeopardy this week are those of Texas Christian and Texas A & M. They meet at Fort Worth.

Pennsylvania, which pushed Dartmouth out of the unbeaten ranks, 7 to 6, should have an easier time against Lakehurst Naval at Philadelphia. Purdue, a four-time winner, meets Ohio State at Cleveland, and may have more trouble than in beating Camp Grant 19 to 0. Iowa Seahawks meet Missouri at Kansas City, Mo., and Minnesota takes on Camp Grant.

College of Pacific, confounding the experts by defeating west coast blizzards, plays Del Monte Pre-Flight, while Southern California stakes its record against San Francisco university. Pacific upset California 12-6, while Southern California defeated St. Mary's Pre-Flight, 7 to 0.

In other standout games in the east this week, Cornell meets Holy Cross at Ithaca, Colgate plays Rochester in a return game at Hamilton, N. Y.; Villanova and Bucknell meet at Philadelphia, Muhlenberg plays Franklin and Marshall at Allentown, Pa.; Carnegie Tech meets Lehigh at Pittsburgh and West Virginia opposes Maryland at Morgantown, W. Va.

Other games in the middle west include Illinois-Pittsburgh at Champaign, Ill.; Iowa State-Nebraska at Ames, Iowa; Kansas-Washburn at Lawrence, Kan.; Oklahoma-Tulsa at Oklahoma City, Okla.; Oklahoma A & M-Norman Naval at Stillwater, Okla.; Indiana-Iowa at Iowa City, Iowa; Great Lakes-Northwestern at Evanston, Ill.

Southern and southwest games include: Texas Tech-South Plains AAF at Lubbock, Southern Methodist-Rice at Dallas, Memphis Naval-Louisiana State at Memphis, Duke-North Carolina at Durham, North Carolina State-Wake Forest at Raleigh, Virginia Military-Richmond at Richmond.

Sammy Baugh Passes Redskins To Victory; Bears, Packers Win

New York, Oct. 11.—(UP)—The Washington Redskins, Chicago Bears and Green Bay Packers today appeared to be the teams which will fight it out for the 1943 National Football league title, all three advancing by victories yesterday.

The Redskins, making their first defense of the 1942 title, handed the Brooklyn Dodgers a 27-0 defeat before more than 35,000 fans in Washington. Sammy Baugh, who passed the Redskins to victory last year, started a repeat performance yesterday when his passes resulted in the first two Washington touchdowns. Wilbur Moore ran 28 yards for the third and Baugh passed to Moore for the last six pointer.

Passes also accounted for the Bears 20-0 triumph over the Chicago Cardinals. The Packers won their second game of the season by defeating the Detroit Lions, 35-14, before a record breaking crowd of 27,396 at Green Bay.

The Phil-Pitt Steagles defeated the New York Giants, 28-14 in a Saturday night game.

RUSSO HITS AND FLINGS YANKEES TO 2-1 VICTORY

Southpaw Holds Cards to 7 Blows in Fourth Game—Also Belts Two Doubles.

By Leo H. Petersen
United Press Correspondent
St. Louis, Mo., Oct. 11.—(UP)—The St. Louis Cardinals faced the best pitcher in baseball today and had to beat him to keep alive their waning hopes for a second consecutive world championship, at the expense of the New York Yankees.

Manager Joe McCarthy, sitting in the driver's seat with a three to one edge, nominated Spurgeon Chandler, the sinker ball artist, who won the opening game at Yankee Stadium for mound duty in an effort to close out war-time's second October classic.

Chandler, with the best earned run average in the major leagues this season, faced Morton Cooper, the Cardinal ace who won the second game a few hours after his father died.

The depth of the Yankee hurling corps was demonstrated yesterday when Marius Ugo Russo, an Italian stringbean from Brooklyn who had been of little use to McCarthy in the American league pennant race this year because of a sore arm, came through with a seven-hit performance that gave the Yankees a 2 to 1 victory in the fourth game and their three to one series lead.

Russo not only took care of the pitching, but most of the hitting, too. He blasted two doubles and the second one led to the winning run after the Cardinals, taking advantage of two Yankee errors, had come from behind to tie the score.

Lanier Tough
While Russo should have had a shutout, the Yankees weren't knocking down the fences against Max Lanier, the chunky southpaw who lost to Chandler in the opener, and Harry Brecheen, the rookie left-hander, who was charged with the defeat.

The Yankees had scored off Lanier in the fifth inning, but with better judgment on the part of Centerfielder Harry Walker would have come out of it scoreless. Joe Gordon, goat of last year's series whose fielding in this one has been sensational, hit a low line drive to left-center. Walker tried to make a shoe-string catch and missed by inches so what could have been held to a single, playing it safe, turned out to be a double. Bill Dickey, the veteran catcher, immediately singled to center, Gordon scoring. Had Gordon been held to first on his hit he never would have crossed the plate.

The Cards were lucky to tie up in the seventh as Russo's infield failed him. Danny Litwhiler doubled down the right field line but Sanders, despite the fact two men were out, was slow getting started and Southworth held him at third.

Martin Marion, the Cardinal shortstop, was passed purposely to fill the bases and when Frank Demaree, pinch hitting for Lanier, grounded weakly to third it looked like Russo was out of the jam. But Bill Johnson, the rookie third baseman and leading hitter of the series, fumbled a grounder and the score was tied with the bases still full of Redbirds. But Second Baseman Lou Klein grounded out to end the threat.

Russo then took things in his own hands. First man to face Brecheen in the eighth, he doubled down the left field foul line, went to third on Tuck Stainoak's sacrifice and scored on Crosetti's long fly.

JACKSONVILLE BOY RECOVERS HEALTH IN SHRINERS CARE

Featured in the October 12 issue of the "Red Fez", a publication of Hillah Temple Shriners, is an article about Joe Miller Beach, a Jacksonville boy once stricken with arthritis, and cured at the Shriners' Hospital for Crippled Children at Portland so that now he is serving in the naval air corps. An editorial in the same paper further describes his fight to regain health, and his resulting achievements.

Ten years ago, at the age of 13, Joe was suddenly afflicted with arthritis—so severely that his body was twisted and he appeared permanently crippled. It was then that the Nobles of Hillah Temple sent him to the Shriners' Hospital for Crippled Children at Portland where able physicians took the case. That was in August, 1933, and Joe stayed at the hospital for the remainder of the year. Two years later, when he was a freshman in Jacksonville high school, he went back and the final completion of the cure was accomplished.

Strong and well, Joe Beach finished his Eagle Scout work, graduated from high school, and entered the Southern Oregon College of Education where he was active as a member of the Shakespearean Festival troupe. In 1941, Joe entered the organization of the Medford Branch, First National Bank of Portland, and it was while he was on a vacation trip in San Francisco that the Japs attacked Pearl Harbor and he enlisted in the navy. Taking his "boot camp" training at San Diego, Joe later applied for naval air corps and was accepted. Having completed his elementary ground school training at U.C.L.A., University of Texas, and Edmond, Okla., he is now undergoing intermediate training as an aviation cadet.

AREA AIRLINES URGED FOR SATELLITE TOWNS

Washington, Oct. 11.—(UP)—James G. Ray, vice-president of Southwest Airways Co., Phoenix, Ariz., today advocated "area airlines" radiating from large metropolitan centers to provide "satellite towns" with air service.

"Area airlines would make it possible to establish overnight mail and express service between every town and city in the country," he said at the civil aeronautics board investigation of local air service.

Such lines could become self-sustaining in a short time, he said.
