ARMY AND IRISH
RATED TOP GRID
TEAMS IN NATION

To Play Each Other In November—13 Eleventh Stay Unbeaten and Untied.

By Card Lundquist
United Press Correspondent

New York, Oct. 18.—(U.P.)—Players on 13 clean slate football teams approached the midway mark of the college season unscathed today, mindful that the opposition gets tougher from now on and that the 1943 famine on upsets definitely is due to end.

Notre Dame and Army stood out as the two top teams in the nation, making their November meeting in New York a perfect setting for a national championship providing neither loses before then—something which appears extremely unlikely.

Ranking next in the group of unbeaten leaders were Pennsylvania, Navy, College of Pacific, Purdue, Southwestern, and Iowa Pre-Flight.

The other perfect record teams, Minnesota, Southern California, Texas A. & M., Colorado and Colorado College had slates just as clean but hadn't played teams generally considered as strong as some of the others.

Pacific Favored

One unbeaten team is sure to fall and four or five others will have their records in jeopardy this week-end, College of Pacific and Southern California meet in one of the top games of the year at Los Angeles. College of Pacific will go on the field a slight favorite. In five previous assignments they have been the underdogs, but their performance Saturday in beating Del Monte Pre-Flight's former All-Americans stars 18 to 7, capped anything they had done previously.

Navy, unless it plays more steadily than in beating Penn State 14 to 6, may have trouble with Georgia Tech's wellriden team at Baltimore Saturday night. Minnesota, which has held the "little brown jug" since 1933 probably will surrender it to Michigan along with its perfect record in the top mid-western game at Ann Arbor Saturday.

Texas A. & M., which eliminated Texas Christian, the only other perfect record team to lose last week, meets North Texas Agriculture at College Station.

All of the other unbeaten big-wigs have opposition that looks less troublesome. Notre Dame plays Illinois at South Bend, Ind., Purdue meets Iowa at Lafayette, Ind., Army opposes Yale at New Haven, Conn., Pennsylvania takes on Columbia at New York, and Southwestern plays Southwestern Louisiana Institute at Houston, Tex. The Rocky Mountain leaders, Colorado College and Colorado and Iowa Pre-Flight in the middle west have open dates which may be filled later in the week.

HUNTERS HOAXED
BY SHELL OFFER

Minneapolis, Oct. 18.—(U.P.)—The advertisement in the paper said Alfred Peterson had 50 boxes of shotgun shells for sale, and when 4000 hunters turned out to buy them, police were called to untangle street car and automobile traffic near his house. The telephone woke Peterson early yesterday. Then the doorbell started ringing. Hunters trampled the Peterson lawn. Bewildered, Peterson finally hung a sign on the door that he had no shells for sale. The crowd dispersed.

"Someone put that ad in the paper just for a joke," Peterson explained, "I haven't a shell to my name."

GEORGIA WINS
Athens, Ga., Oct. 18.—(U.P.)—Georgia navy pre flight's football team yesterday defeated Newberry college, 53 to 0, with Steve Filipowicz, ex-Fordham backfield star, leading the offensive.

Warren Tiller and Oscar Heoquist, both of Orlando, Fla., and Thomas Avirett of Birmingham, Ala., also starred for the winners.

WHILE MOTHER AWAY
Sidney, Neb., Oct. 18.—(U.P.)—While Mrs. Lloyd Bowker was in the grocery store, her children amused themselves lighting matches on a stove and throwing them. One of the matches landed in the carriage of their baby sister. By the time Mrs. Bowker reached the blazing carriage, the child was dead.

Trojans Only Big Hurdle
Remaining for Stag Team

By Ed Emery
United Press Staff Correspondent
San Francisco, Oct. 18.—(U.P.)—You can rub your eyes and look again, but that's right. Little College of the Pacific is headed for the Los Angeles coliseum Saturday to meet the brawny Trojans of University of Southern California in a titanic struggle which will be the closest the Pacific coast can come this year to a collegiate championship game.

They weren't supposed to do it, but Coach Amos Alonzo Stagg's Tigers dumped undefeated Del Monte Pre-Flight's All-Americans 16-7 on the Pacific home field at Stockton, Cal., Saturday, to add the navyators to their previous victims—California and UCLA of the Pacific Coast conference, and St. Mary's Pre-Flight and Alameda coast guard of the stronger service teams.

Now only undefeated and unscored-on Southern California seems to stand in the way of a championship season for the giant-killing Tigers and their 81-year-old coach, who would add another page of glory to his record of 54 years on the gridiron, already graced with moments of past grandeur at Chicago.

If the Stagmen clear this week's hurdle and defeat the conference southern division leaders, they will have only the St. Mary's Gaels and University of San Francisco left in their path toward an unbeaten season. Pacific plays St. Mary's Nov. 6 and USF Nov. 20, with byes intervening.

And if the Trojan-Pacific clash weren't enough, the only other unbeaten teams on the coast, University of Washington and the Fourth Air Force Flyers from March Field, Cal., meet Saturday at Seattle, in the only big-time game the Huskies could schedule this year in the football-starved northwest.

Should the Trojans and March Field come through the week-end victorious, their meeting Nov. 13 in Los Angeles could become the Pacific coast's final championship playoff.

GUARDSMEN WHIP
GAELS BY 21-7

San Francisco, Oct. 18.—(U.P.)—Capitalizing on two intercepted passes, the Alameda Coast Guard football team defeated St. Mary's 21 to 7 before 10,000 fans here yesterday.

The vaunted Gael passing attack was good for only one touchdown. Gonzales Morales, former St. Mary's star, intercepted Herman Wedemeyer's pass in the first period. He then passed to end Charles McDowell for the tally.

Billy Russo, fullback, plunged over center for the second coast guard touchdown. In the last period, the coastguardsmen took advantage of another interception and sent quarterback Ed Ballati over for the touchdown. Wedemeyer threw 33 yards to Bob Fernandez for the St. Mary's score.

ZIVIC DENIES HE
WILL QUIT GAME

Pittsburgh, Oct. 18.—(U.P.)—Unperturbed by his defeat Friday night by Jose Basora at Detroit, Fritzie Zivic today caught rumors of his immediate retirement.

Fritzie said he was determined to win his next six fights and will not retire until his 31st birthday next May. He is scheduled to meet Bobby Richardson in Chicago on October 21 and Jake Lamotta in New York on Nov. 12.

Zivic also contends that Cleveland wants him for a Christmas fund show while the Rooney-McGinley combine here wishes to rematch him with Basora.

Savold Gets Second
Crack at Ed Blunt

New York, Oct. 18.—(U.P.)—Lee Savold, New Jersey heavyweight contender, tries to redeem himself against Eddie Blunt, Brooklyn Negro, at Cleveland Friday night in the feature bout of this week's boxing program. Blunt won an upset 10-round decision over Savold at Akron, O., October 5. Savold's manager, Bill Daly, claimed that Savold had not trained properly for the Akron bout because of a heavy cold.

PANCHEO SEGURA WINS
PAN-AMERICAN TITLE

Mexico City, Oct. 18.—(U.P.)—Francisco (Pancheo) Segura, the ambidextrous Ecuadorian, successfully defended his Pan-American tennis championship by defeating Billy Talbert of Indianapolis, 6-2, 6-3, and 6-2 yesterday.

Both players, tired from the effects of the week-long meet, played far below their usual standard.

PASSES PRODUCE
WINNING SCORES
IN PRO CLASHES

By United Press

The bombsight accuracy of their forward passes boosted the Chicago Bears, the Washington Redskins and the Detroit Lions along today in the National Professional league football race.

Placing new emphasis on the pass as a scoring weapon, they won their week-end assignments because of the ability of buggy-throwers. Only the New York Giants, the other victors, depended upon ground plays for the bulk of their scoring.

Two of the losers also capitalized on aerials for their scoring in a day in which 11 of the 20 touchdowns were made on passes. Three others were set up with long aerials.

The Chicago Bears behind the efficient Sid Luckman, rolled up the biggest score in defeating the Philadelphia-Pittsburgh combine 48 to 21 at Chicago. Luckman threw three touchdown passes and set up two others. One of the seven Bear touchdowns came on a kickoff return, the other on a fumble.

Sammy Baugh connected with four scoring passes to account for all but one of Washington's touchdowns in a 33 to 7 victory over Green Bay Packers at Milwaukee. The other came on a plunge by Andy Farkas. The Green Bay touchdown came on a toss by Tony Canadeo to the "old reliable" Don Hutson, who caught his first scoring pass in three games.

Frankie Sinkwich passed Detroit to its third victory in five starts, 7 to 0 over the Chicago Cardinals. Sinkwich hit Harry Hopp with a short pass and the ex-Nebraska back went 67 yards to the goal.

Rookie Bill Paschal sparked the Giants to a 20 to 0 victory over Brooklyn Dodgers, scoring twice and picking up 101 yards in 22 trips with the ball.

Games next Sunday: Philadelphia-Pittsburgh at New York; Brooklyn at Chicago Bears; Green Bay at Detroit; Chicago Cardinals at Washington.

Denver, Oct. 18.—(U.P.)—Physicians at Denver General hospital said today it would be approximately 10 days before they would know whether their attempts to save 12-year-old Genae Smith from a deadly bone disease through the use of the precious drug penicillin, had been successful.

The first injection of the extremely rare substance, the supply of which is rigidly controlled by the army, was given to the attractive dark-haired girl yesterday.

Five hundred thousand units of penicillin were sent after the girl's father, a World War veteran, sent a 500-word telegraphic plea to President Roosevelt and doctors at Denver General added their support in an appeal to the National Research Council in Boston for use of the drug.

The girl is suffering from osteomyelitis and had been growing constantly weaker despite the use of sulphur drugs and several blood transfusions.

Alexandria, La., Oct. 18.—(U.P.)—Eight army fliers were killed Sunday when a Flying Fortress crashed soon after taking off from the Alexandria army air base, officials announced today.

The air base public relations office said that Second Lt. Warren R. Virter, Los Angeles, Cal., was one of the men killed.

WILLKIE INVADES
CAPITAL TUESDAY
TO TEST REACTION

Will Speak Before Republican "Freshman Club"—See No Competitor.

By Lyle C. Wilson
United Press Correspondent

Washington, Oct. 18.—(U.P.)—Wendell L. Willkie comes here tomorrow to address Republican legislators and to test for himself congressional reaction to his proposal for a post-war united nations council to maintain world peace.

He will speak before the Republican "freshman club," an organization of newcomers to congress. But Republican senators and representatives of long service also will be present. He comes here as the most active of the avowed candidates for next year's Republican presidential nomination.

Stassen Boomed
Political observers are saying that it is "Willkie against the field." There is a mid-western boomlet centered now in Nebraska for former Gov. Harold E. Stassen, of Minnesota. Stassen presently is on active duty with the navy in the Pacific. Gov. John W. Bricker, of Ohio, three times elected to that office, has more favorite son backing. But his campaign so far has not seemed to move very rapidly.

There is talk here that Sen. Robert A. Taft, D. O., may get back in the scramble for the 1944 nomination before the last Republican national convention ballot is cast. Taft took himself out of the race last December by announcing his support of Bricker for the 1944 nomination. But if the Bricker campaign bogged down, Taft might feel free to try on his own.

MacArthur Supported
Gen. Douglas MacArthur has enough nationwide support to keep his name well up in results of Republican preference polls. Sen. Arthur H. Vandenberg, R. Mich., has been talking up MacArthur for months.

But Willkie is more active than all the rest of them combined so far. A major obstacle before him is opposition of organization Republicans, including some key congressional leaders and some powerful state leaders. There is some evidence that he offended congressional Republicans still further in last week's St. Louis speech by saying that a wise labor policy "must not be in the punitive spirit of the southern Democrats' Smith-Connelly act."

That act, sponsored by a Virginian in the house and a Texan in the senate, was aimed primarily at United Mine Workers President John L. Lewis. Its sponsors were southern Democrats but the bill had substantial Republican support, as well. Those Republicans who voted for the bill and are satisfied with its results will not relish Willkie's language.

Shot At Dewey
Political Washington also observed that Willkie took a shot at Gov. Thomas E. Dewey, of New York, in St. Louis. Willkie repudiated any suggestion of "exclusive offensive and defensive alliances between any two of the principal allies." Dewey proposed last month that the United States should enter into a post-war defensive alliance with Great Britain.

Dewey is not regarded as a

First Zoot Suits

London, Oct. 18.—(U.P.)—A modified version of the zoot suit has appeared in England, to the consternation of rationing-conscious British officials, the Daily Mirror reported today.

The neat pleats and drape shapes appeared in made-over children's suits distributed by the government in the bombed-out areas of Bristol and Manchester.

"One of those suits contains enough material to keep a half-dozen youngsters warm," one Bristol official complained.

Grange will meet November 12 at 8:30 p. m.

Live Oak Grange

Live Oak Grange held regular meeting Oct. 3 with small attendance and Master Frank Marshall in charge. Because of absence of the lecturer there was no program.

A social hour was held after grange and refreshments were served by the committee, Mrs. Zorah Wiley, Lora Carter, Mrs. McNeerney and Mrs. Cora Taylor.

Next meeting of H.E.C. will be all day Oct. 21 at the home of Mrs. Gus Rhueing on the highway south, one mile from Rogue River.

At a special meet Oct. 2 six new members received first and second degrees.

Oct. 9 most of the members and new candidates attended a special meeting with Gold Hill Grange where third and fourth degrees were given and another evening of dancing and visiting enjoyed.

Al Simmons Handed
Release By Boston

Boston, Oct. 18.—(U.P.)—Al Simmons, 40, once one of the American league's star outfielders, has been given his unconditional release by the Boston Red Sox.

He led the American league in batting when with the Philadelphia Athletics in 1930 and 1931, with .381 and .390 averages. This year he batted .203 in 41 games after coming out of retirement because of the player shortage.
