

### BOOK 4 ISSUANCE STARTS TODAY IN SCHOOLS OF CITY

Issuance of ration book 4 to the Medford public began at 12:30 today in all elementary school gymnasiums with the following schedule: Thursday, 12:30 to 8:30 p. m. persons whose names begin with letters A to H inclusive; Friday, 9 a. m. to 12 noon persons whose names begin with letters I to M inclusive; Friday, noon to 8:30 p. m. persons whose names begin with letters N to Z inclusive. Persons who are not able to conform to this schedule will be accepted at any other time. The school districts serve the same territory for rationing as they do for school purposes.

Lone Pine and Dewey districts will be rationed at Roosevelt school; Griffin Creek and Independence at Washington; North Phoenix and Kenwood at Lincoln, and West Side at the Jackson.

It was stressed again by ration authorities that patrons must bring their book 3 as no book 4 may be issued except to the holder of a book 3. Book 3 is not surrendered by the applicant, but he receives it back with "book 4" written on the lower right hand corner. There will be no tailoring of books and no declaration of foods. The rationing period in the schools closes Friday, 8:30 p. m.

### ICE ARENA OPENS SEASON TONIGHT

The grand opening of the Medford Ice Arena on Grape street for the 1943 and '44 season will be held tonight. Denny Edge, manager of the arena, announced today that the opening night skating session will be extra long, from 7:30 p. m. to 11 p. m. The arena will be open regularly daily after the opening night, with skating sessions from 7:45 p. m. to 10:15 p. m., and Saturday and Sunday matinees from 2:30 p. m. to 5 p. m. A special skating session will be held tomorrow from 2:30 p. m. to 5 p. m., for school children dismissed from classes while teachers are handling registrations for ration book number 4. The coffee shop at the arena will be open tonight and every evening thereafter under the direction of Miss Beth Livingston and Miss Helen Kendall. Dick Fredrick is in charge of making ice and patrolling the ice during sessions, while Volney Brock has charge of the skate room and sales in that department.

### ROTARIANS HEAR NAVY RECRUITER

The wartime expansion of the U. S. navy was the subject of a brief address before the Medford Rotary club Tuesday by Herb Crane, recruiting specialist here. Crane pointed out the growing might of the fleets now ranging over the five oceans after tracing the origin and significance of Navy day. He was introduced by Mark Goldy, Rotary program chairman. Following this address a motion picture was shown, dealing with aviation developments in the navy. The official navy film was shown by Stanley Jones, California Oregon Power company technician.

### JOIN TRIANGLE'S SHARE THE FEED PROGRAM

WARTIME CONDITIONS have affected the nation's feed supply. Due to the tremendous nation-wide feeding program and to the irregularities of our transportation systems—poultry and dairy feeds are not always available in the exact amounts demanded by feeders.

You can help by cooperating with your Triangle Feed dealer. Remember that both your dealer and ourselves are making every effort to see that all of our customers get their fair share. Help by accepting smaller amounts when stocks are low.
