CLASSES OPENING IN HOME NURSING UNDER RED CROSS
In line with the campaign of the American Red Cross to train one member of every family in home nursing in order to guard the nation's health during the war, a series of home nursing classes is being organized. These are taught by registered nurses under supervision of the local chapter.
The Washington Parent-Teacher association is sponsoring two classes. The first starts tonight at 7:30 o'clock at 820 West Thirteenth street, and will be taught by Madelyn Schach Klinefelter. The second class will be held afternoons at 208 Hamilton street and will start Tuesday, November 2, at 1:30 p. m. Both classes will be open to anyone who wishes to register.
Wednesday, November 3, at 1:30 p. m. a class will be started at the courthouse auditorium. It will be taught by Mrs. Ruth Goodwin and anyone interested may register at the Red Cross office or at the class itself.
In Any District
If the time of these classes is not convenient, registrars will be taken for classes in any district in town, with a minimum of 10 women enrolled.
A class is now being taught in the Kenwood district at the home of Mrs. Donald Clark. The nurse in charge is Mrs. R. M. Johnson and the class is in its second week.
The Camp White auxiliary class, started September 1 and taught by an army wife, Mrs. Gladys Marie White, R. N., wife of Captain E. White of the 91st Infantry division, has finished and members will receive their certificates this week.
Classes Wanted
It is stated that classes have been requested at West Side school, Jacksonville, Butte Falls and Applegate and these will be started as soon as registered nurses have been authorized. Several classes are being formed in Ashland. Red Cross heads state that classes will be scheduled from time to time during the entire winter and information may be obtained by phoning 4405, the chapter office.
Miss Helen Bullis is home nursing chairman for the chapter.

China Crops Over Previous Season
Chungking, Oct. 28 (U.P.)—A Chinese government spokesman estimated today that Free China's 1943 food production will reach 82,500,000 tons, almost 6,500,000 tons more than in 1942.
The spokesman said the wartime inflation of commodity prices in China is being slowed gradually, although he acknowledged that prices in September averaged 150 times as high as prewar levels.
