

UCLANS LOSE TO SAN DIEGO NAVY

San Diego, Oct. 30—(U.P.)—A hard hitting Naval Training Station football team handed UCLA's Bruins their fifth straight defeat of the season today with a 28 to 0 victory at Hull field.

A second class seaman, Bill Cadenhead, who played freshman football at the University of Alabama, and Ensign Braga, formerly of the University of San Francisco, caused most of the damage for the Bluejackets. Cadenhead's kicking and end sweeps kept UCLA continually within the shadow of the iron goal posts, while Braga's sharp shooting right arm bewildered the Bruin pass defense for most of the game.

The Bruins amazed the exclusive crowd of 6,000 Bluejackets and WAVES in the first half with a determined defense that kept the game scoreless until the remaining second of the half.

Coach Bo Molenda didn't substitute men, he substituted entire new teams. The preponderance of power finally overwhelmed the battered and tired Bruin.

HUSKIES SMOTHER AIR FORCE TEAM

Seattle, Oct. 30.—(U.P.)—The University of Washington Huskies ended an abbreviated non-conference football season without defeat today when they whipped an outclassed Spokane Air Service eleven for the second time, 41-7, before 8,000 fans.

The Huskies scored in every period while holding the Commandos to a single score in the second when Halfback Wouters pitched an 11-yard pass over the goal line to his running mate, McKeel. Fullback Scott converted with a left-footed placekick. Marine Trainee Bill Ward, whose former Washington State coach, Babe Hollingberry, was on the Commandos bench in an advisory capacity, converted after five of the Huskies' six touchdowns.

Mrs. Kunz was informed yesterday of the safety of her nephew by his mother, Mrs. Fannie Calvert of Bremerton, Wash., who said she had received a cablegram from the navy department through the Red Cross that Calvert was on a ship at sea, and that the bonds were being sent to her.
