Miss Lois Sanden, Cadet McMullin Wed In Oklahoma

Miss Lois Sanden, daughter of Mr. and Mrs. G. O. Sanden of 304 South Central Ave., became the bride of Aviation Cadet Dale McMullin, son of Mr. and Mrs. E. J. McMullin of Glendale, Ore., at a ceremony which took place October 9 in the First Presbyterian church of Stillwater, Okla. The double service was read by the Rev. Clayton S. Valder.

Miss Sanden's wedding gown was of ivory satin with a long train and was fashioned with a sweetheart neckline with seed pearl trim. She wore a fingertip veil which fell from a Dutch style cap trimmed with the seed pearls. Matron of honor was the bride's sister, Mrs. Herbert J. Stoll of Abilene, Tex., who was gowned in a floor-length dress of green and blue. She carried a bouquet of red roses.

Best man for the groom was Jack Bonner of Spokane, Wash. Ushers were the Messrs. Hanrakan and Herbert Kerr. Charles Dietz gave the bride in marriage.

The church was decorated for the ceremony with white tapers in tall candelabra and with baskets of pink gladioli and maidenhair ferns. Preceding the ceremony a soloist sang "I Love You Truly."

A reception was held in the church parlors with the bride cutting the wedding cake.

Mr. and Mrs. McMullin will reside for the present in Stillwater while the groom continues his studies at the aviation school. Mrs. McMullin is well known in the valley, having graduated from the Jacksonville high school and later attending the Southern Oregon College of Education at Ashland and the University of Oregon. Mr. McMullin was a junior at the university when he went into active army service last March.

Girl Scout Week To Be Observed By Local Troops

This week Medford Girl Scouts are celebrating the annual National Girl Scout week. It opens today with a "Scouts Own" ceremony at the Riverside USO auditorium commemorating the birthday anniversary of the founder of Girl Scouting, Juliette Low, and continues throughout the week with each day devoted to some special activity of Scouts and known as the seven service days.

This afternoon's program begins at 3 p. m. and will be made up of Girl Scout songs and ceremonies and with an address by the Rev. Ward A. Rice, pastor of the First Christian church. Parents and friends of Girl Scouts are invited to be present.

Commenting on the Girl Scout program, Mrs. Myron Root, commissioner, explained yesterday "While the Girl Scout program remains basically the same as always, since Pearl Harbor its application has been tremendously broadened to meet war conditions. For example homemaking, which has always included the simple household arts, has been extended to include nutrition, food conservation, such as canning and dehydrating, salvage of fats and tin cans, conservation of clothing, etc. Health and safety has received far greater emphasis than formerly, not only in personal health and safety but in training and practice for the protection of others. Last year the number of first aid badges awarded tripled in number; child care and home nursing has more than doubled.

As the war progresses more and more time is being given to training girls to meet community needs which have become urgent because of the war. Through these services, the girls are learning special skills and more important, they are learning that citizenship in a democracy means giving as well as receiving, giving service to the nation as well as receiving from it the rights and privileges and protection of citizenship. This is the most important lesson for the girls, who as the women of tomorrow, will be asked to shoulder many of the important problems of the post-war world."
