

### JACKSON COUNTY RELIEF SPENDING ANALYSIS GIVEN

Jackson county, for 1942-43, budgeted \$30,000 for general relief of unemployed, and spent \$9,671, or 65.6 per cent of the taxes levied on property for this welfare purpose.

For the same fiscal year, Jackson county budgeted \$44,000 as its match-money share of old age assistance cost and spent \$44,595, or 1.3 per cent more than budget allowance for care of the aged.

General assistance or relief cost Jackson county \$21,618 in 1941. For the present 1943-44 fiscal year, \$20,000 for this purpose was budgeted, a decrease of 7.4 per cent. The number of relief cases in Jackson county during May, 1941, was 573, during May, 1943, 325 unemployed persons were aided, a decrease of 43.2 per cent.

With respect to old age assistance, Jackson county spent \$37,103 during 1941, but budgeted \$53,600 for this purpose for the present fiscal year. This is an increase of 44.4 per cent in proposed expenditures for old age assistance for 1943-44 over 1941, although the number of old age cases aided in typical month of May, 1941, was 765 and 777 for same month 1943, an increase of 7.8 per cent.

In addition to monthly grants to old age assistance cases on basis of need in Jackson county, \$2,280 was spent for medical care and hospitalization during the first six months of 1943. In addition \$5,965 was spent for medical care, etc., of relief cases, or a \$8,653 total for medical care for six months of this year, which amount was charged against the county's budgeted ap-

propriation for general assistance or relief, according to State Public Welfare commission records summarized recently by Oregon Business and Tax Research, Inc.

**Asthma Mucus Loosened While You Sleep**  
Say Thousands of Sufferers  
Choking, gasping, wheezing, recurring attacks of Bronchial Asthma ruin your sleep and rob your blood of vitally important oxygen because you can't get air in and out of your lungs properly. But now it is no longer necessary to suffer from these terrible attacks without the benefit you may receive from a physician's prescription called Mendaco. Within a very short time after the first dose, Mendaco ingredients start circulating thru the blood, thus reaching the smallest as well as the largest Bronchial tubes where they usually quickly help loosen and remove thick, irritating mucus (phlegm), thereby promoting free breathing and more restful sleep. In fact, Mendaco has proved so successful in helping thousands of sufferers from recurring spasms of Bronchial Asthma that it is sold under a guarantee of money back unless completely satisfactory. So get Mendaco from your druggist today for only 60c.

### Dressed for comfort in Arctic seas

In his snug submarine jacket with its protective collar, his heavy woolen trousers and non-skid galoshes, he's dressed for warmth and fighting efficiency.

The clothing our Navy provides for its men is styled for comfort and long wear. Even their underwear. They are issued the right weight for any waters they may cruise.

You can have modern styling and care-free comfort in your underwear, too. For, during the past 40 years, the makers of HANES Underwear have developed the art of converting fluffy cotton into underwear that is both knitted and tailored to correct size.

HANES Union-Suits (shown at right) are one example. A lot of warmth is knitted into their fleecy softness. And they're made to your exact chest width and trunk length—won't pinch when you stretch or bend. Ankle-length legs. Long or short sleeves. You'll like their comfort. P. H.
