A Xmas Gift that's Four Gifts in One Arrow Hearth Tones ENSEMBLE

This year give him something he can wear, and really enjoy wearing. The Saturday Evening Post featured Arrow Hearth Tones Ensemble, for instance. The shirt will give him those fashionably new double motif stripes and the dressiest collar ever attached to a shirt... the Arrow. It will fit him to perfection too because its Mitoga form-fit design shapes it the way he's shaped. Since the tie, handkerchief and shorts were designed to the shirt, they bring out its best features, harmonize with it perfectly. There are many colors to select from.
