

LOCAL and PERSONAL

Fined \$1—Glen Gibbons of 20 Barneburg road was fined \$1 in city court today on a charge of allowing his dog to run at large.

No License—Charged with driving a car without an operator's license, J. Antram of Route 1 was fined \$2.50 in city court today.

Posts Bail—Ruby Mae Melugin, 34, charged with being drunk and disorderly in a local restaurant, posted \$10 bail with city police Sunday.

Visiting—Mr. and Mrs. Geo. Waterman are in the valley visiting with relatives and friends. The Watermans, former residents of Phoenix, now live in Canby, Calif.

Service Announced—St. Peter's day will be marked with a special service at St. Mark's Episcopal church Thursday morning of this week, according to the rector, the Rev. George R. Turney. The service will mark the anniversary of the ordination to the diaconate.

Patrol Member—T/5 Laurence A. Ryerson of Medford is with a regiment of military police that has made war-disrupted Naples into one of the most efficient ports in the world, according to a dispatch from an allied base in Italy. The dispatch states that the regulation of traffic in the city's maze of narrow alleys and congested streets is a serious problem and that traffic MPs have had to untangle snarls of vehicles driven by soldiers of the American, English, French, Indian and Polish armies while happy-go-lucky Neapolitans saunter down the middle of the street. These men have cut traffic accidents by 85 per cent, the dispatch states, allowing more than 30,000 tons of war equipment to pass through the city daily. Cpl. Ryerson's wife resides at 843 East Ninth street in Medford.

What Constitutes Food?

From what has been said the question naturally arises, "What is Food?" This is a question of importance. For, if the right conception of food is comprehended and this knowledge were put into practice, much sickness would be avoided. Food, then, is any substance which, when taken into the body is used by the living organism for the formation and repair of body cells and tissues and for the production of heat and energy. It naturally follows that the substance to be a food must contain nothing that is detrimental to the protoplasmic or cellular life of the individual organism. Sometimes that which is a good food for one class of animals is very detrimental to another class. Even that which may be good food, under other conditions, if not properly utilized and handled by the physical organism is not a food, but may become a rank poison.

Cars operated by Victor Medford of Phoenix and C. H. Thompson of 1002 West Fourth street were involved in a minor accident on South Front near Eighth street Saturday night, a report on file said today.

Graduates—Marine Private Donald Eugene Smith, 18, son of Mr. and Mrs. Walter W. Smith of 103 Jeannette street, recently was graduated from the field telephone school at San Diego, Cal., Marine Corps base and is now ready for assignment to a combat unit as a communications specialist, according to word received from the base. Pvt. Smith is a graduate of Medford high school, where he played tackle on the football team.

Captain Returns—Capt. Weldon H. McBee, who for the past two years has been stationed in the South Pacific war theater with the 41st Infantry Division, arrived in San Francisco Sunday and after reporting at Ft. Lewis, Wash., will return to Medford on 30-day leave. The captain left Medford with the Oregon National Guard unit and was commander of Company A when that unit sailed for overseas duty. Mrs. McBee makes her home at 24½ South Grape street.

U. S. Naval Victory Near Philippines

The United States fleet defeats powerful unit of Japanese grand fleet off Philippines, sinking or damaging 14 enemy warships, including four aircraft carriers and a battleship, to score one of America's greatest naval victories of the war. Admiral Nimitz headquarters revealed planes of Admiral Raymond A. Spruance's Fifth fleet pounced on Jap ships as they emerged from channel between Luzon and Formosa.

\$29,138 COMING TO COUNTY FROM FORESTRY FUNDS

Jackson County will receive \$29,138.48 this month from the federal government, the sum representing its share of receipts from the Rogue River National Forest for the fiscal year ending June 30, 1943, according to forest service officials. It is explained that since federal property is not taxable, 25 per cent of the receipts from each national forest is turned over each year to the states and is prorated on an acreage basis to counties containing national forest for the benefit of public schools and roads.

Klamath County, in which other national forests are located, will receive \$41,694 under the arrangements. Rogue River National Forest had the largest receipts of any Oregon national forest, it was stated.

Oregon Methodists Against Liquor As Aid to Aged Source

Portland, Ore., June 26.—(U.P.)—Delegates to the Oregon annual conference of Methodist churches today assailed the state law that makes old-age assistance allotments dependent on the revenue from the sale of liquor.

The delegates, adopting a report of the temperance committee, noted that "the extent of assistance to our aged people depends upon the amount of liquor sold, from which revenue is derived. We declare our opposition to this law and pledge ourselves to do all we can to have the next legislature separate old age assistance from liquor revenue."

The conference declared opposition to "the beverage liquor traffic in all forms," and called for a "strong and effective educational program, not merely against excessive use, but for total abstinence."

CRIME DECLINES
Mexico City.—(U.P.)—A survey by the director general of statistics shows crime is declining steadily in Mexico. During 1939 there were 23,429 felony cases. There were 21,318 of this type in 1942, and a compilation for the first four months of 1943 indicated a total of 20,000 for the year.

COUNCIL TO SET SPECIAL ELECTION

The city council will meet at 7:30 tonight in Mayor C. A. Meeker's office in city hall to adopt an ordinance calling for a special election at which legal voters of Medford will decide whether the city shall build a municipal swimming pool at an estimated cost of \$62,500.

Under the plan to finance the proposed pool, a tax levy of three mills for the next two years would be added to the budget. The ordinance was requested in a petition sponsored by the Lions club and endorsed by 15 other local organizations representing about 3,500 persons.

Hitler First On Defeat Program Curtin Convinced

Canberra, Australia, June 26.—(U.P.)—Prime Minister John Curtin returned to Australia today after attending conferences among leaders of the British commonwealths at London and said he was convinced the basic allied global strategy still was "defeat Hitler first."

"I will soon report to the cabinet," Curtin said, "several important decisions made during my trip to London and Washington which will affect the future life of the world."

Immediately after his arrival, Curtin conferred with Gen. Douglas MacArthur on the "war against Japan." The prime minister said the conferences would be resumed tomorrow.

"We have passed through the twilight period," he said, "and now we have a chance to finish this fight in the sixth round instead of letting it go to 20 rounds."
