

Farmers' Strike Was Bund Signal Says Ex-Member

Washington, June 28—(U.P.)—Roy P. Arnold, Los Angeles optical technician and ex-member of the German-American bund, testified at the mass sedition trial today that a strike of produce farmers around New York city was to have been the signal for the bund's abortive plans to stage a "putsch" and install its own "strong man" in America.

Arnold, who joined the bund as a result of his friendship with Hans Diebel, one of the 29 defendants in the trial, said Diebel told him of the signal for the uprising after he made "repeated" requests.

He testified yesterday that two other defendants in the trial—Evangelist Gerald B. Wingrod and Silver Shirt organizer William Dudley Pelley—were the bund's candidates for the role of "strong man" in this country.

Arnold told the jury today that Diebel had said that he intended to "get himself five Jews before he was stopped" if the planned putsch became "too hot."

SAD PARTING

Kansas City, Mo. (U.P.)—Mrs. Letha Edwards and Mrs. Myrtle Ochs telephoned the OPA when they discovered a case of catsup on their doorstep recently. The OPA could not explain the found article, but offered to take it off the women's hands.

The women replied they didn't see any need to part with the rationed catsup—they just wanted to report it. The matter finally was cleared up when a salesman for a wholesale supply firm appeared and explained he had delivered it to the wrong door—the catsup right-

fully belonged to a cafeteria owner, who lived nearby.

SKY-READING EASY
Pittsburgh (U.P.)—Summer skies will be as easy as road maps to ready for Pittsburghers

who attend a new sky show at the Buhl Planetarium here. Director Arthur L. Draper said visitors will rapidly become acquainted with the skies after memorizing the positions of a few prominent stars.
