YOUR HEART

Your heart is a vital organ. It is a faithful organ. It is on duty day and night, not only for a while, but during a life-time. Some have made the statement that the heart would never wear out if it were given the proper care and opportunity of normal function. With the muscular, nerve and mental tension under which many allow themselves to labor, the heart is compelled to do its work under an intense strain. Under this strain it gets neither the proper nourishment to its cells nor sufficient elimination from its cellular structure. Abnormality in its structure or in its function is sure to result. Your heart is so delicately tuned that it often reflexes your state of mind. Also other bodily conditions, but interfering with the nerve impulse to and of the heart may cause its abnormal activity. If abnormal, restore to normal nerve function by structural adustment. The question is not how does your heart serve you, but how do you serve your heart?

FLOYD V. BELL OF PHOENIX DIES OF SUDDEN EXERTION

Floyd V. Bell, a native of southern Oregon, passed away suddenly Sunday morning. While working on his farm in the North Phoenix district his team ran away. Apparently, in running after them, the exertion was too much and he died enroute to the hospital.

He was born in Talent, March 5, 1897, and had spent almost his entire life in this community. On June 4, 1922 he was united in marriage to Ada Jobe at Phoenix. In April, 1927 he became a member of the Phoenix Grange and was a very active member. He also belonged to the county, state and national Grange and was a director of the Grange Co-op. He was a member of the armed forces in World War I.

Besides his wife, Mrs. Ada Bell, he leaves three children, Darrell A. Bell, Phoenix; Thomas M. Bell, at home; Mrs. Doris Reeder, Medford, and a grandson, Donald Reeder.

His parents, Mr. and Mrs. Thomas J. Bell, Talent, also survive.

Services will be in the Conger-Morris chapel at 2:30 p.m. Wednesday with the Rev. L. H. Mitchelmore officiating. Interment will be in Phoenix cemetery.

MRS. BERTHA CANNADY FUNERAL WEDNESDAY

Mrs. Bertha Z. Cannady, 51, wife of Robert Cannady, passed away in a local hospital Friday Her passing was unexpected. she had made her home in Gold Hill for the past four years.

She also leaves two sons, Claude E. and Merle E., U. S. navy, three grandchildren and two sisters in the east.

Services will be in the Conger-Morris chapel at 10 a.m. Wednesday with the Rev. L. C. Kirby officiating. Interment will be in Siskiyou Memorial Park.

JOHN PATRICK FUNERAL TO BE HELD IN MEDFORD

John Patrick, a resident of this community for many years, passed away in Bend Sunday. Services will be in the Conger-Morris chapel at 2:30 p. m. Thursday with the Rev. C. W. Frost officiating. Interment will will be in I.O.O.F. cemetery. A complete obituary will be published later.

America Firster Would Give Negro Haven in Africa

Detroit, Aug. 7—(U.P.)—Gerald L. K. Smith, organizer of the America First party, said today that he would present a plank favoring a homeland in Africa for American negroes to the party's convention here, Aug. 29-30.

"We should compel the French and British to release 1,000,000 square miles in Africa, "to apply to their war indebtedness to the United States," he said. "This land would then be made available to American negroes free, where they could be completely supreme, free from white man rule and domination."

The plank, Smith said, will stiuplate that no negro need be compelled to migrate, "but inducements and opportunities should be made so attractively available that millions of negroes would seek to establish themselves in a land where they would be supreme."

Black Widow P-61 Packs Big Wallop, Heavily Armored

Hawthorne, Calif., Aug. 7.—(U.P.)—The Northrop Black Widow P-61, the first warplane designed especially for night fighting, "is capable of shooting down anything that flies" the war department said today revealing hitherto secret features of the plane.

The Widow packs a wallop in the form of 20 mm. cannon and .50 caliber machinegun armament. It is the largest existing pursuit plane—as large as a medium bomber—and at the same time, the war department said, is as swift as a fast pursuit.

The plane carries armor bullet-resistant glass and deflector plates to protect her crews and ammunition boxes from .30 and .50 caliber enemy machine-gun fire.

Seizures Curtail Black Mart Booze

Washington, Aug. 7.—(U.P.)—Treasury agents seized $700,000 worth of black market liquor during the eight months ended last June in a nationwide drive that has greatly curbed illegal sales at above ceiling prices, the treasury's alcohol tax unit said today.

Reporting an increase in "moonshining" during the first half of this year, the unit said that it had referred to U. S. attorneys for criminal prosecution 548 black market cases involving 1,174 persons. Indictments were returned against 485 persons and court convictions obtained against 175.

BOYS PROWL CABINS IN OUTLYING AREAS

Boys in a few of the small towns of the valley are entering outlying cabins without permission of the owners, and in this city are writing obscenities on walls, according to the district attorney's office. Some of the writing is too high up to have been penned by a boy, but by a person who had gained his full height.

The cabins pilferers take few articles, and are evidently looking for money or something to eat. In the Jacksonville district owners of cabins have frightened the boys away several times the past two weeks.

DEWITT TO COMPLETE MISSION OF McNAIR

Washington, Aug. 7—(U.P.)—Lt. Gen. John L. Dewitt, former commanding general of the Fourth army and the Western Defense Command, has been named to complete the undisclosed assignment that Lt. Gen. Lesley J. McNair was carrying out when he was killed by an American bomb in Normandy.

The war department gave no details in announcing the appointment, saying merely that "Lt. Gen. John L. Dewitt has been ordered to the European theater to replace Lt. Gen. Lesley J. McNair."

AMERICAN HEROES
BY LEFF

While making his way back to the hospital—he was a walking hospital case—Master Gunnery Sergeant James G. Blalock spotted a group of Japs in the underbrush. Drawing his pistol, he entered the thicket and came out with nine Jap prisoners.

Marine Sergeant Blalock now wears the Silver Star, awarded him for conspicuous gallantry in that Solomon Islands action. He can be proud of such a record. Can you be equally proud of your Bond buying record?
