BROWNS SHUT OUT YANKS, 3-0 FOR 10TH WIN IN ROW

Denny Galehouse Flings Six-Hitter; White Sox Execute Triple Play.

New York, Aug. 11.—(U.P.)—The 1944 Major League season may go down in the books as the year of "hot and cold running baseball."

Winning and losing streaks have been the order from the very first week. Wartime personnel is regarded as a major factor for the manner in which clubs suddenly strike it hot and begin winning games in bunches. Then, just as suddenly, the rookies and upgraded minor league players get jittery over the pace and cool off.

The streakiest club has been the Chicago Cubs, now in a losing slump that has reached four straight, whereas last week they were riding an 11-game winning skid, longest compiled by any team this year. They dropped 13 in a row early in the season, but that series of losses was topped later by the Brooklyn Dodgers who were defeated 15 straight times on their last western trip.

The two longest current streaks remained intact yesterday with the St. Louis Browns defeating the Yankees at New York 3 to 0 for their 10th straight. The defeat dropped the Yankees into fourth place. Denny Galehouse, who got a late start because he worked in an Ohio war plant through the early part of the season, turned in his best game to date, a six-hitter, and gave definite indications he will be a strong factor in the Browns' World Series plans.

The Detroit Tigers edged in to third place by winning their seventh straight, defeating the Senators at Washington 3 to 2 in 10 innings.

Keep Paced
The Red Sox played six and a half games behind the Browns, winning 2 to 1 over the White Sox at Boston. It was their 14th victory in 16 starts against Chicago this season.

The White Sox engineered a triple play in the fourth when Third Baseman Ralph Hodgins stabbed a liner with the bases filled, stepped on the bag and threw to first base.

Cleveland defeated the A's at Philadelphia 5 to 4 when Myril Hoag singled home a run in the ninth.

Mort Cooper of the Cardinals won his sixth shutout and his 15th victory, beating the Philadelphia Phillies at St. Louis 2 to 0, to increase the team's league lead 18½ games.

The Boston Braves got good pitching from Charley Barrett at Cincinnati to defeat the Reds 2 to 0 for their fourth straight victory.

Brooklyn, which failed to win a game on its last western tour, took its second straight at Chicago, edging the Cubs 6 to 4 in the 10th when Pinch Hitter Tom Warren doubled home two runs.

New York Giant pitching was at fault in the Pirates' 10 to 4 decision at Pittsburgh.

RED SOX THIRD SACKER PASSES ARMY PHYSICAL

Boston, Aug. 11.—(U.P.)—The Boston Red Sox expected today to lose the services of Third Baseman Jim Tabor, who passed his pre-induction physical examination and will be subject to army call within 21 days.

Tabor is the eighth member of the second place Red Sox scheduled to enter the armed forces before the season ends.

TRIPLE LAUNCHING
Philadelphia, Aug. 11.—(U.P.)—The 27,600-ton aircraft carrier, Antietam, and the 13,000-ton cruisers, Chicago, and Los Angeles, will be launched in a triple ceremony at the Philadelphia Navy Yard, August 20, Rear Adm. M. F. Drazemel, commandant of the Fourth Naval District, announced today.

Free Boxing Bouts Prevent Absenteeism In Shipyards

By Gene Friedman
United Press Staff Correspondent
Wilmington, Cal., Aug. 11.—(U.P.)—An 8,000 gate is pretty good for the average fight card, but down Wilmington way they draw that many for only a two-bout—each three rounds—card, and the number is kept down to 8,000 only because that's all the people that can see the fights.

Of course, the comparison isn't strictly fair, because the Wilmington fights are free, but on the other hand, when 8,000 people take the time out of their 25-minute lunch periods to watch boxers, who generally don't compare with those in regular rings, that's something.

The 8,000 people are 8,000 of the California shipyard's 15,000 day shift workers. The place is the California shipyards.

Wayne Stewart, recreational director of Calship, was papa of the brain storm and it was a brainstorm more or less whipped by the wind of necessity.

As is common knowledge, absenteeism is still a problem, and this problem predominates on Monday. The idea was to find something to induce employees to come to work on Monday, and Stewart did.

The ring was purchased by Calship recreation department and the fights got underway. The idea is only three weeks old, but it doesn't look as though anything will interfere with its continuation.

Only two bouts are held each Monday—each is a three-round bout—there is naturally a limitation on time.

One of the first problems was to keep the workers from quitting their jobs five or 10 minutes before lunch to get ringside seats. An appeal was made to the workers and the starting time was moved up to seven minutes after the beginning of the lunch period—that solved the problem.

The bouts are no-decision bouts, generally refereed by referees from the Roosevelt naval base, men with experience. The idea is to keep the fights as exhibitions.

At first the matches were between outside professionals and Cal-shippers. Gradually the tendency will be to have bouts with Calshippers only. There is quite a list of applicants, Stewart says, but care is being taken to use only experienced boxers, preferably those who fight some other time during the week.

SUPPLY OF GAME TAGS EXHAUSTED

No more applications will be accepted by the Oregon State Game commission for the following special big game tags: Grant-Baker doe deer; antlerless elk; or Hart Mountain buck and doe deer. As the number of applications exceeded the quota of these tags, drawings were held on August 2 to determine the successful applicants.

Everyone will be notified of the results of the drawings as fast as the notices can be mailed out by the commission, and those who are to receive tags will be given ten days from the date of the notice in which to forward the required fees.

There are plenty of antelope tags available and these are now being issued in the order applications are received. To apply for an antelope tag it is necessary to forward the fee of \$2.50 for a resident or \$5 for a non-resident, together with information as to the number and kind of hunting license held by the applicant.

MORELLI FOULS OUT TO LIPSCOMB IN BRUTAL BRAWL

Disqualification is becoming a habit with Tony Morelli, the number one bad character of this grappling circuit.

A month ago he fouled out to Paavo Katonen when he bopped the latter over the dome with a pop bottle. Last week he lost to Herb Parks when he scraped a rubber stamp across the Parks eyes.

He came up with a new one in the armory last night, the handle of a water faucet, which he had taped to his knee disguised as an injury.

Facing Jack Lipscomb in one half of a double main event, Morelli employed this weapon to pound Lipscomb in the small of the back until Referee Earl Yockley tore off the tape and discovered the piece of metal. That was that, and Lipscomb was awarded the match.

It was a brawl from start to finish, with Lipscomb taking a fall in four minutes with a press after punishing Morelli considerably. Tony took the next tumble two and a half minutes later with a press, which he set up by pulling Lipscomb to the canvas by his hair.

In the other half of the main event, Katonen and Ernie Piluso went to a fall-apiece draw in a sparkling match that brought out about every scientific maneuver in the book.

Katonen, in 16 minutes, got the first fall with a reverse neck stretch. Seventeen minutes later Piluso used his skull-aching headlock to even the score.

In the remaining 27 minutes both tried vainly to take the deciding fall but neither was able to clamp on a pinning hold.

Parks and Tex Porter drew in the opener, Parks using a press in the second round for a full and Porter getting a surfboard for a tumble in the third.

CLOSE MATCHES SLATED IN MEET

Rye, N. Y., Aug. 11.—(U.P.)—The women drew attention away from the men today in the Eastern Grass Court Tennis tournament, with a program of four potentially close matches scheduled in the quarter finals in the feminine sector.

In the men's division, the favorites, Francisco Segura of Guayaquil, Ecuador and Billy Talbert of Indianapolis, both had semi-finals matches with lightly rated opponents.

Pauline Betz, the women's national singles champion from Los Angeles opposed Dorothy May Bundy of Winter Park, Fla., twice her conqueror in Clay Courts play this season. Co-feature in the women's quarter-finals finds colorful Doris Hart of Miami, Fla., opposing Mrs. Virginia Kovacs of Oakland, Calif. Margaret Osborne of San Francisco plays Mary Arnold of Los Angeles and Louis Brough of Beverly Hills, Calif., is matched against Shirley Fry of Akron, O.
