# FURS

## New Coats For the New Season

When the snow falls and cold winds blow you'll want to be warm as toast though the thermometer registers zero. That's why you'll choose your fur from our wonderful selection of coats with their rich texture and softly blended tones to keep you snug as you could wish. Our August fur showing presents the newest fur fashions among which you'll see your favorite tuxedo style with deep turned back cuffs and full draped back giving it a new and exciting look, and the 36 inch coat which is gaining fashion popularity. All our coats are superbly tailored from furs that are the pick of the crop—furs that are practical because you'll wear them in all their smart splendor for many years to come.
