BRING YOUR OWN PIPE BUT WE SUPPLY THE FUEL

In 1941 we moved from ... to ... and I think the thing we missed more than anything else was the daily ...

Dr. Brady

I stopped him to ask where he had read it, and so ... First let me tell you, your article "How to Make Coffee and Win Friends" taught us how to enjoy a real brew for the first time. Whenever friends compliment Mrs. ... on her excellent coffee she explains that it is made as directed by Dr. Brady.

I wish I lived near enough to meet you, perhaps on the bowling green, or to share a pipe with you ... (C. E. W.)

If you call, not on business, bring your own pipe, if you have one your wife allows you to keep in the house, but never mind the tobacco. We have tobacco—three or four kinds, to suit various tastes, but all fit to burn in the house.

Readers who still think coffee is a decoction of tannin will learn something to their benefit by reading the chapter on How to Make Coffee and Win Friends in the red book **What to Eat and Why**—for copy send twenty-five cents and stamped envelope bearing your address.

Aside from the important question of the proper brewing of coffee, a lot of people deny themselves the enjoyment of this beneficial beverage from one or another misapprehension concerning the effects of coffee. They take seriously the gratuitous suggestion that coffee makes one "nervous," or the notion that it prevents sound sleep, or the

wife, if said M. Cooksey be married; the unknown heirs of M. COOKSEY; and also all other persons or parties unknown claiming any right, title, estate, lien, or interest, in the real estate described in the complaint herein, the above named Defendants.

IN THE NAME OF THE STATE OF OREGON: You, and each of you are hereby summoned and required to appear in the above named court and cause and answer the plaintiff's complaint on file therein against you, within four weeks after the 4th day of August, 1944, the date of the first publication of this summons. You are hereby notified that if you fail to so appear and answer said complaint within the time aforesaid, for want thereof, the plaintiff will apply to said Court for the relief demanded in said complaint, a succinct statement of which is:

That a decree be entered here, adjudicating any and all right, title, estate, lien, or interest which you, or any of you have, or claim to have, in, to, or on real property located within Jackson County, Oregon, to-wit: Lots No. 13 and 14 in Block No. 4, Laurelhurst Addition to the City of Medford, Oregon, according to the official plat thereof now of record.

And decreeing any and all such claims and interest to be null and void, and decreeing that said plaintiff is the owner in fee simple of the whole of said premises, free and clear of any and all right, title, estate, lien, or interest of all the defendants in this suit; and decreeing that all persons or parties claiming, or to claim, by or through them, or any of them, be forever restrained and barred from asserting or claiming any lien or interest in, or to said real property, and that plaintiff's title to said premises be forever quieted and set at rest; and for such other relief as to the Court may seem just and equitable.

The date of the Order herein for service of this Summons by Publication is August 3, 1944, and such Order fixed once each week for four successive weeks as the time for such publication.

Attorney for Plaintiff.

Breathing
I frequently feel as though I have been poisoned, desire to fall asleep, tired feeling, gas and poor digestion, pains in back and ... could a person pronounced physically fit have such trouble from failure to breathe in enough pure oxygen? (T. M.)

Answer—Come, come, sir, I haven't been in this game long enough to make a long-distance diagnosis. Send twenty-five cents and stamped envelope bearing your address, for booklet "How to Breathe." At any rate it will teach you something good for your lungs and bronchitis. (Copyright, 1944, John F. Dille Co.)
