"Pin Worms Can't Harm My Child!"
Better learn the Truth, Mother!
You may think that Pin-Worms are just a harmless nuisance. Or you may think that this tormenting, embarrassing infection is only certain type of trouble. Don't you believe it! Rich or poor, young or old—everyone can have Pin-Worms. And these crawling pests, living and growing inside the human body, can cause real distress. So watch out for the warning signs that may mean this nasty infection—the irritating, itchy, burning, itching, and burning around the rectum. If you suspect Pin-Worms, get a package of P.W. tablets right away, and be sure to follow the directions. P.W. is the new Pin-Worm treatment developed by the laboratory of Dr. D. J. Taylor & Son, America's leading specialists in worm infections. Important Scientific Discovery! The small, sugar-coated P.W. tablets contain remarkable drug (creosol) which is said to be killing high medical authorities as the most effective means ever discovered for dealing with Pin-Worms. Thanks to this important new scientific discovery, Pin-Worms in a few days can be driven out of your system. Ask your druggist P.W. for Pin-Worms!

POULTRY CO-OP WILL ESTABLISH MEDFORD BRANCH

Announcement has been made by G. C. Keeney, general manager of the Pacific Cooperative Poultry Producers that a branch house of the association will soon be opened in Medford in the Osenbruggs warehouse at 13th and South Front streets. Work has been started on remodeling the building to meet association needs.

The Pacific Cooperative Poultry Producers, whose main office and feed mill are located in Portland, has branch houses at Astoria, Albany, Eugene and Roseburg. Addition of the local plant, according to Mr. Keeney, will meet the demand of south-ern Oregon poultrymen for cooperative egg marketing and feed purchasing.

The association plant here will receive, can, grade and market eggs for its members in Jackson and Josephine counties. All eggs sold to the local trade will go into the association pool for shipment to outside markets.

A complete line of poultry and turkey feeds, poultry supplies and dairy feed is handled by the association. Grant Young, who has been in the association for ten years, has moved to Medford and will manage the local plant. Mrs. Young, who has accompanied him will have charge of the canning and grading room.

JOHN O. FRAZIER PASSES, AGED 74

John Oscar Frazier, 74, late of Central Point, passed away at the home of his daughter, Mrs. Wildon Miller on West Jackson street, this morning.

Mr. Frazier had resided in this county for the last 11 years. He was born in Michigan, Feb. 22, 1870, and is the last of a family of eight children.

He leaves six children, Harry Frazier, Junction City, Ore.; Mrs. Clifford Papendick, Redlands, Calif.; Roy Frazier, Ontario, Ore.; Francis, Jefferson, Ore.; Elmer, Alvadore, Ore., and Mrs. Wildon Miller, Medford. Deceased was a member of the Church of God at Central Point.

Funeral services will be held in the Conger-Morris chapel at 3 p. m. Thursday, with the Rev. Parson of Central Point officiating. Interment will be in Siskiyou Memorial park.
