

JACKSON COUNTY GIRL SCOUT UNITS SHOW BIG GROWTH

From one troop in 1927, the Medford Girl Scouts organization has grown until now the council takes in Medford, Jacksonville, Central Point, Phoenix and all rural school districts in the immediate vicinity. Membership consists of Brownie troops, intermediate and senior scouts. The senior Scouts have developed a flourishing wing Scout program this past year. The national goal for membership of a "million or more by '44" has been achieved, and of that total Medford Girl Scouts had an aim, 600 memberships.

Activities of the senior Scouts include, in addition to the wing Scout program, working as volunteers in local hospitals, assisting at the airport canteen and at the Medford day nursery. Younger Scouts sell defense stamps, deliver posters for community organizations, work with the Junior Red Cross in making articles for the Camp White hospital and carry on other projects. Badge work which the girls may select included home nursing, child care, citizenship, community service, housekeeping, cooking and gardening. Get-together events are held for each age group during the year to foster friendships.

Sponsor Day Camp
In addition to the group activities carried on by the various troops, the local council sponsors a day camp for three days each week during June which is open to every girl in this section and in August each year, two weeks of established camping, including boating, swimming, horseback riding, crafts and skills and outdoor sports of many types, is held at the Lake O'Woods.

The various troops have as leaders, local women who are trained in group work, troop programs and child guidance by the council executive secretary. It is pointed out by the Girl Scout leaders that the organization is international and that it is considered one of the country's outstanding character building groups for girls. In the organization there is no discrimination against race, religion or politics. Any girl may become a member.

Entire operating deficit of the Medford Girl Scouts program is underwritten by the Medford Community Chest and War Fund. The 1944 campaign for funds for the 36 agencies, local, state and national, so supported or assisted, begins here October 9.

Wayne Fairchild Visits After Duty On Italy Fronts

Home after 19 months overseas duty in the Mediterranean war theater, T. Sgt. Wayne Fairchild recently visited his parents, Mr. and Mrs. R. B. Fairchild of route 1 in the Griffin Creek district. He left Sunday to report to Lincoln, Neb., for reassignment.

Sgt. Fairchild, mechanic in the air corps, saw duty in the North African, Tunisian, Sicilian and Italian campaigns. He holds the soldier's medal, good conduct medal the European-Asiatic campaign ribbon, a unit citation and the American defense medal. The sergeant has been in the army since January of 1941 and is to have advanced training following his reassignment.

WAVES Told Basis Of Overseas Call

Washington, Oct. 5—(U.P.)—The navy announced today that WAVE officers and enlisted personnel desiring overseas assignments will be selected on the basis of length of service and past military record.

The navy said that no quotas of women for overseas assignments will be made before December. The women must volunteer for overseas duty and will be assigned to overseas areas on the basis of the personnel needs of the navy stations there.

CITY'S MINISTERS BACK APPEAL FOR RELIEF CLOTHING

The Medford Ministerial Association will participate in the national appeal through the collection of clothing for the churches for the emergency relief of the needy in the European liberated areas, it was decided Tuesday at the first regular meeting of the new year under its new president, the Rev. Fred M. Weatherford.

A centrally located collection center for the clothing is being selected and announcement will be made in the near future as to type of clothing desired and the place to bring same. The ministers have asked the Council of Church Women to assist in the project.

Special guest at the meeting was Arthur M. Cannon, chairman of the Medford Community Chest committee, who summarized the needs and goals of the committee for the coming year and urged the support and co-operation of the local ministers in presenting the cause from the pulpit.

Tentative plans for the annual union Thanksgiving Day service were discussed and it was decided to hold the meeting this year in the Presbyterian Church, the speaker to be announced later.

The Rev. Delbert Daniels, new pastor of the First Christian Church was formally received into the association.

SWISS WATCH PRICES MUST HAVE OPA OKEH

Imported Swiss watches must not be sold until the price has been approved by OPA according to Charles Kaufman, OPA enforcement attorney for the Portland district. The enforcement attorney said many complaints have been received from consumers, including servicemen, and that climaxing several months of investigation, license warning notices are being sent to stores handling watches and suspected of price violations.

License revocation proceedings will be instituted, following the warning notices, if stores persist in selling watches without price approval. Kaufman emphasized. The attorney stated that OPA investigation revealed overcharges as high as 50 per cent above ceiling.

Words That Roll Off Your Tongue

Ed Hodges and the doctor were holding forth about how words only mean something when you think about them; and that a lot of words seem to lose their meaning just because they're used too glibly.

As the doctor put it, "They roll off your tongue without going through your mind. Take tolerance for instance...some of the people who use it most understand it least."

From where I sit, it looks like the doctor is right. But tolerance is mighty easy to understand.
