

Forest Scene At Rally

Pictured above are small children of Salvation Army Capt. and Mrs. Robert Angel, Buddy and Jacelyn who participated in the Rally Day program at the Salvation Army hall last Sunday. Capt. Angel is director of Riverside USO. The annual Rally Day and festival were combined into one event this year and the above picture represented a forest scene. The young fawn, a pet, was loaned by Louis Eck who found the fawn during the summer months on a forest road.—(Photo by Shangle.)

PRESIDENCY HANGS ON HEART BEAT, IS WORD OF WARNING

Columbus, O., Oct. 5—(U.P.)—America's voters must weigh seriously the qualifications of the Republican and Democratic vice presidential nominees in November because "they may be voting for a president," Gov. Earl Warren of California said last night.

In a speech focused primarily on the vice-presidential race, Warren told a Republican campaign rally last night that the "team" of Gov. Thomas E. Dewey and Gov. John W. Bricker was the best that could have been found.

"It has been wisely said that but a single heartbeat separates the vice-president from the presidency," Warren said. "It thus behooves us all to make certain that we have not just one man, but a first class team for president and vice-president."

"Does anyone believe that the Democratic party is offering any such team to the American people?"

"No my friends, all that is required by the new deal of its candidates for that position is that they be cleared through Sidney Hillman. Viewed in this serious vein—is there anyone who would take a Harry Truman when they can get a John Bricker?"

Salvation Army in Joint Observance; Accordionists Play

Regular Rally Day Sunday of the Salvation Army was held jointly with the Harvest Festival Sunday. The Sunday school arranged a fine program with Mrs. H. R. Prentice and a group of her younger accordion students as guests.

At night the young people had charge of the service assisted by Mrs. Prentice and a group of her older players. W. M. Quackenbush assisted greatly with his musical saw.

The hall was decorated for the occasion to represent a forest. In the night meeting a real deer appeared on the platform and when lights were thrown on the trees and deer it looked like a star-lit night in the woods.

Igoe today dismissed charges of conspiracy against Mrs. Minnie Ariani, 60, and her two sons, Carlos, 32, and Romolo, 34, arising out of the closing of the first Italian State Bank here in 1931. Judge Igoe said the wife and sons of Saverio Ariani, 64, who served a prison term for absconding with assets of the defunct bank, could not be held responsible for the deeds of the husband and father.
