DAVIDSON FACES NOGGIN BUSTER ON MAT TONIGHT

Kizer and Katonen Meet in Other Half of Double Main Event Wrestling Card.

It will be Buck Davidson versus the masked mystery man tonight at Promoter Mack Lillard's weekly wrestling session at the Medford armory in a double main event. Flipping a coin with Davidson and the Gray Mask for top place on the card will be Jack Kizer and Paavo Katonen, champion against ex-champion.

Davidson and the hooded one are well-paired, according to Lillard, as both resort to off-color methods. Kizer and Katonen probably will turn their appearance into a grudge match as Kizer recently took the light-heavyweight championship away from Katonen.

Noggin Feared
The masked man, who comes from California, has built quite a reputation around his hard noggin which he uses with considerable success against opponents. In the last two wrestling cards scheduled here the Mask

has come through. Both Kizer and Katonen have gone down under the hooded one's head-butts and tonight's event will see if he is capable of adding another aching head to his belt.

Davidson, on the other hand, will stop at nothing to gain a victory over the Mask. He became incensed over the decision in his last appearance and is steaming for another chance.

Sailor Hogan, newcomer in Oregon wrestling circles, comes from San Diego, Calif., and is reported to be making a hit with fans. Lillard said Hogan will be certain to give Pat "Rowdy" O'Dowdy a rough evening.

The opener, pairing Hogan and O'Dowdy, will begin promptly at 8:30 p. m.

FORWARD PLAY IS MOST DANGEROUS

Chicago, Oct. 5—(UP)—The most dangerous play in football is the forward pass, while line play produces the fewest injuries, P. F. Neversman, executive secretary of the Wisconsin Interscholastic Athletic Association, Marinette, Wis., told the National Safety Congress today.

Speaking before the school and college of the congress, Neversman said, "studies made in Wisconsin also showed that the tackler was more often injured than the tackled, the first two minutes of the second half produced the most numerous and most serious injuries, and in the age range of 14 to 19, the 14-year-old was twelve times as likely to be injured as was the 19-year-old."

The number of broken fingers from basketball was reduced 85 per cent in Wisconsin high schools, Neversman said, by substituting a slightly smaller ball than the college-sized ball previously used.

BOWLING
Bowling in the City league last night Henry's Drive In and P.M.T. divided honors, the first game was tied at 791 and each team won one of the remaining games. (Bell 204 and 563; Union Oil defeated Firestone 2 to 1 (Weisenburger 219 and 579); Office Boys trimmed the State Police three straight (Colton 193, Green 505).

Browns Win Series Opener 2 to 1

George McQuinn, Browns' first baseman, is congratulated by Mark Christman (No. 6), Browns' third sacker, as he crossed home plate after hammering home run in fourth inning scoring Gene Moore (No. 15) ahead of him. These two runs and the pitching cunning of Denny Galehouse enabled the Browns to defeat their intra-city rivals, the Cardinals, 2 to 1 in the opening game of the 1944 World Series.

Wall Street
New York, Oct. 5—(UP)—Stocks pushed forward today to the best general level in more than a month with trading at the best pace since early September. The upswing started in the steels, which subsequently met mild profit-taking, and spread throughout the main list. Demand at no time, however, could be called aggressive.

In some Wall Street quarters the improved undertone was looked upon as indicating a realization that recent pessimism concerning extension of the war in Europe may be unwarranted. Superior Steel and Midland Steel Products preferred were up 1 to 2 points, all at new 1944 highs. U. S. Steel and Wheeling rose fractionally while Bethlehem hovered around its previous close.
