## ROGUE TROOPERS PLAN HORSE SHOW SUNDAY, 1:30 P. M.

Medford's Rogue Troopers are this week completing plans for a horse show which will be held Sunday, Oct. 8, at the fairgrounds south of the city. Numerous competitive events and games have been planned and a large number of prizes have been donated by Medford firms and individuals.

The show is scheduled to start at 1:30 p. m. with the grand entry. It is stated that first place winners in all events will receive prizes, and first, second and third ribbons will be awarded in all events. Games, races, classes and exhibitions are to be on the program, and a special class for children ten years old and under is planned.

Those in charge cordially invite all horsemen of the valley to attend and to take part in the grand entry. A small admission will be charged for spectators and no seats will be reserved. Funds derived from the show will be set aside for the troopers' travel fund for the coming year. It is stated that the use of the fairgrounds has been donated by the Medford Athletic Club.

## UNDERDOG BEARS HOPE FOR UPSET AGAINST TROJANS

Los Angeles, Oct. 6.—(U.P.)—California's dogged underdogs aren't supposed to win tomorrow's "triple crown" football game with Southern California, but if they negotiate an upset their satisfaction at crossing up the experts is likely to top any other rewards for victory.

It is more than just a football game, this annual classic which rates as the top feature of the west coast season to date, because to the winner is likely to go the California championship, the Pacific coast title and a Rose Bowl bid.

Coach Pessimistic But so far as these rewards are concerned they are for the moment at least, secondary to the ire of Golden Bear followers over their consistent role of underdog. Fresh from their 6 to 0 upset of UCLA, they feel they are entitled to at least even money consideration against Southern California and there is at least one person who concurs in that belief. It's Coach Jeff Cravath of Southern California.

"We probably will lose," he said. "Last week when we beat College of Pacific, the boys tried and fought hard enough, but there was just something lacking and we'll have to find out what it is pretty darn quick."

The Trojans have been guilty of repeated fumbles in both games to date and have had a number of their drives checked by costly penalties. They have yet to show the ability to stage a sustained downfield offensive.

UCLA Has Edge

In other games this week, UCLA will be out to redeem itself against San Diego Naval Station and rates a slight edge, because the Navy team isn't stocked with as good material as a year ago. Washington's Huskies play Willamette in a return engagement and should do about as well as the first time when they won 70 to 0. The star-arrived Fourth Air Force Flyers play the Fleet City Naval Base eleven and Alameda Coast Guard opposes the freshman-dominated St. Mary's team.

## BOWLING

Bowling in the Ladies' league last night, Tolley's Gilmores won 3 to 1 over the Medford Alleys (Swope 168 and 473; The Rolling Pins won 3 to 1 from First National Bank (Devore 187 and 459); Waincotta took all four points from Henry's Drive-In (Barr 164 and 488).

## BONE MAY RESIGN

Washington, Oct. 6.—(U.P.)—Sen. Homer T. Bone, D., Wash., said today that he will probably resign from the senate to assume his seat on the ninth circuit court of appeals in San Francisco "before congress returns" on Nov. 14.

## BERSERK DAVIDSON FOULS OUT TRYING TO REMOVE MASK

"The Gray Mask" added another win to his growing list at the Medford armory last night when Earl Yoakley, referee, declared a default in the Mask-Buck Davidson fray. In the early half of the double main event Jack Kizer tossed Paavo Katonen two out of three falls.

Promoter Mack Lillard's weekly wrestling card was practically a free-for-all by the end of the Mask-Davidson event. Davidson, who had made up his mind to remove the hood from the Mask's head or else, tossed Yoakley out of the ring in his attempt to unfasten the cords at the back of the Mask's head. The crowd goaded Davidson on and in an effort to bring things under control, Yoakley awarded the match to the Mask on a foul.

Neither contender was too clean in his wrestling and the Mask took the first fall with his noggins buster and a leg strap. In no time at all Davidson was again on the Mask in his effort to rip the hood away. They were up and down and Buck, ignoring every attempt of the referee to leave the hood alone, tossed Yoakley out of the ring.

Promoter Lillard is being pressed to rematch the pair. Kizer, who defeated Katonen recently to take the light heavyweight belt away from him, took the first fall in 10 minutes with a shoulder stand and after 12 minutes Katonen had Kizer in a Boston crab.

In five minutes Kizer flattened Katonen with a double toe hold for the winning fall. Sailor Hogan won over Pat O'Dowdy when, with the falls standing one each, O'Dowdy tangled Hogan's neck in the ropes and the referee awarded the deciding tumble to the sailor on a foul.

## JUNIORS TO PLAY ASHLAND JUNIORS HERE SATURDAY

Medford Junior high school football team meets its first competition of the season Saturday afternoon when they tangle with Ashland Junior high eleven. Coach Norman Sting said that his team has had only two weeks' practice, while the Ashland team is supposed to be rated pretty high this year.

Medford Juniors have only one returning letterman, Tommy Mottern, who plays fullback and the other players are still new to the game, Sting said. Virgil Swanson will be referee for the game which begins at 2:30 p. m. at the Medford high school stadium. There will be no admission charge.

Starting lineup for the Medford team includes: Selby, center; DeArmond and Singer, guards; Fillegel and Hughes, tackles; Britton and Medley, halfbacks; Mottern, fullback, and Gaines, quarterback.

## TICKETS ON SALE FOR TILT WITH KF

Reserved seat tickets for the Medford-Klamath Falls football game are now on sale at the office of senior high school according to an announcement made today by Lester Harris, high school principal. The game will be on the Medford field Oct. 20.

Since the annual Klamath-Medford game is the highlight of the season as far as local football fans are concerned, it is expected that the sale will be heavy.

Army ordnance artillery ammunition plant at Joliet, Ill., has thus far used 22,000 miles of two-inch adhesive tape in sealing ammunition.

## BOOMING SCORES PREDICTIONS FOR TOP GRID TILTS

By Carl Lundquist  
United Press Staff Correspondent  
New York, Oct. 6.—(U.P.)—Football, moving along its year of greatest inflation, is due for another day of booming scores tomorrow, with major elevens in every section placing greater emphasis on offensive play than ever before.

Even in games where the teams appear evenly matched, the prospects are strong for liberal scoring on both sides, something that contrasts sharply with the year-year defensive battles which found big and bruising elevens pushing each other about at length in mid-field.

Tomorrow's top games provide such evenly rated meetings as Yale-Cornell, Pennsylvania-Dartmouth, Purdue-Illinois, Minnesota-Michigan, California-Southern California, Kentucky-Michigan State, Rice-Louisiana State and Kansas State-Missouri.

Odds Near Even  
Oddsmakers are willing to concede little either way on these games with most rated either at even money or 6 to 5 and with differences of opinion in every section over the probable winners.

Most of the other top flight teams are expected to have easier sledding. Notre Dame opens its home season against Tulane, a southern intersectional foe about which little is known, but because of the demonstrated strength of the Irish, they are rated 2 to 1 favorites. Navy is 2 to 1 to bound back against Penn State after its unexpected defeat by North Carolina Pre-Flight.

Army, now rated kingpin of the east is 3 to 1 over Brown, Harvard is 6 to 5 over Boston college, Columbia 6 to 5 over Syracuse and New York university and Lafayette are even money. Pittsburgh is liked at 3 to 1 over Bethany, and Rochester is a two touchdown favorite over Miami.

## "Fruit" Author Is Listed as Member Communist Front

Washington, Oct. 6.—(U.P.)—J. B. Matthews, research director for the house committee on un-American activities, said today that Lillian Smith, author of the best seller "Strange Fruit," was affiliated with three "Communist front" organizations and that her book was "a piece of sectional filth."

Testifying before a subcommittee of the un-American activities investigating group, Matthews listed Miss Smith among other well-known writers and artists who he said have had previous communist front affiliations and are now members of the National Citizens Political Action committee.

Miss Smith was named by Matthews as having been affiliated with the American Mobilization, an organization which once picketed the White House in an antiwar protest.

Also included by Matthews on

a list of 119 directors of the NCPAC who assertedly were affiliated with communist front organizations were writers William Rose Benet, Louis Adamic, and Langston Hughes and singer Paul Robeson, who Matthews said "favors communism even though he may not hold a card."
