

# RURAL CAMPAIGN FOR WAR FUND TO START TOMORROW

Solicitation for the National War Fund in the rural areas of the county will start tomorrow in all districts it was announced yesterday by Mrs. Olive Floyd, chairman in charge. Mrs. Floyd states that a few workers were in the field last week but the majority will begin tomorrow, Oct. 9 being the opening day of the drive nationally.

Mrs. Floyd stresses the fact that funds collected in the rural districts do not go to the Medford Community Chest, but directly to the national fund. If any family or person is missed, Mrs. Floyd asks that they contact some worker of the vicinity. Additional workers are needed in some districts and anyone willing to assist is asked to call Mrs. Floyd at 2438 in Medford.

**HUSKIES WALLOP WILLAMETTE, 40-5**

Portland, Ore., Oct. 7.—(U.P.)—The University of Washington notched up its third victory of the season here today, as sophomore fullback Keith Decourcy jammed over four touchdowns in the Huskies' 40-5 rout of a valiant but inadequate Willamette university before 4,000 fans. Decourcy awakened the Huskies from a first half scoring lethargy in which they scored only 14 points against an opponent they buried by a 71-0 count two weeks ago.

# 40 CARRIER BOYS OF MAIL TRIBUNE LUNCHEON GUESTS

Forty newspaper carrier boys were guests of the Medford Mail Tribune Saturday noon at a luncheon at the Hotel Holland observing "National Newspaper Boy Day." The program during the luncheon carried out a quiz idea and prizes were awarded in the form of defense stamps for those answering properly.

Gerald T. Latham, circulation manager, acted as master of ceremonies and guests were Herb Gray, advertising manager and E. C. Ferguson, managing editor. Fred Byington gave a piano solo.

A newspaper folding contest found Raymond Jablonn winning first prize for folding nine and a half papers per minute; Bob Work was second with eight and a half papers and Herb Gray, Jr., and Dick Henselman placed third with eight papers per minute.

Latham pointed out during the luncheon that during the past year \$408.30 had been awarded in defense stamps for prompt payment of accounts and collections.

Prompt and courteous service was stressed during the luncheon and a quiz was conducted by Dick Henselman in which 10 carrier boys were selected to answer questions on various phases of circulation work. Those answering correctly were awarded a defense stamp for each question so answered.

The list included Weldon Sorensen, service; Fritz Ruch, collections; Francis Thomas, starts and stops; Fred Byington, conduct; Herbert Colley, carrier equipment; Wesley Perdue, comics; Dave Griffiths, features; Lee Saunders, news; Dale Coverstone, advertising and Fred Miller, carrier income.

# JUNIORS BEATEN BY ASHLAND, 26-6

Medford Junior high school football team lost a lopsided game to the Ashland Juniors at the Medford football stadium Saturday afternoon. Final score was 26 to 6. Coach Norman Sting said that the Medford Juniors put up a good showing despite the fact they had seen only two weeks practice.

Ashland scored in the first quarter but failed to convert and in the last minute of the first half Gaines passed to Reich for Medford's lone tally. The score at halftime stood 6-6.

Ashland scored again within two minutes of the third quarter kickoff and continued to roll over touchdowns till the end of the game. One score was on an intercepted pass.

Sting played all his boys who were in uniform and gained considerable experience, which should be of value, as they meet Klamath Falls Junior high here Saturday afternoon at the Medford high stadium.

The Bruins couldn't dent the Bluejackets' powerful forward wall in the first three periods but they suddenly got hot in the final minutes and had the Bluejackets and their 3,000 officers, Roof and Wave fans biting fingernails worriedly as the game ended on the center's Hull Field.

# They Look to the West

THEY LOOKED to the West for strength of arms... for liberation from the yoke of the oppressor.

And still they look. But they look now for food to keep alive the spark of life. They look for food for their children... their hope of the future... the hope of their unhappy, war-racked lands.

They look for clothing... warm clothing to protect them against the dread, sickening chill of coal-less houses.

They look for medicines and vitamins... to help them save their wounded, their ill, and their plague-stricken victims.

They look for seed... to plant the fallow earth once more... to eke out their famine rations of grass and weeds and ersatz, sawdust bread.

(They look for hope.)

cannot fail them... we must not fail them... now that a new day is so close at hand.

The things they need... food and clothing, medicines and vitamins... and hope for the future... are all made possible by your contribution this year to your Community War Fund, representing the National War Fund.

Now is the time to open your heart... and open your checkbook. Now is the time to give, as you have never given before, that others may have the chance to life, and liberty, and the pursuit of happiness.
