

COMMUNITY CLUB BOON TO GIRLS, AIDED BY CHEST

The Girls' Community club, one of the beneficiaries of the Medford Community Chest, owns and operates a 12-room resident club house at 229 N. Bartlett street. It is incorporated on a non-profit basis, is purely a local organization, and is operated entirely by volunteer leaders without paid executive help. Its main purpose is to provide living accommodations with a real home atmosphere for the young business girl who is working in the low wage bracket group.

An employment bureau for domestics is also maintained by the club and its service is free to the public. Many young girls coming to Medford to work at Camp White were found suitable housing also through this bureau. Mrs. Stella Hendricks acts as house mother and is in charge of the employment facilities.

Equipment for basketball, bad-

minton and soft ball is available for any group of girls desiring to take part in a sports program. Numerous other activities have been provided at different times according to the need. The recreation room is reserved for entertainments by the resident girls on Saturdays and Sundays, but is available for private parties at other times.

Meeting Place

During the past year 30 Medford civic organizations held 168 meetings in the clubroom with an attendance of over 5,000 persons; 293 personal interviews were held with women and girls seeking domestic employment; and 434 telephone calls for information were answered. Because of their limited facilities, a time period of one year is set for all resident girls thus allowing about 20 girls each year the privileges of co-operative living.

The Girls' Community club is financed entirely through subscriptions to the Community Chest. Officers of the organization are, Mrs. Dolph Phipps, president; Mrs. Martin Luther, vice-president; Mrs. Aletha Vawter, treasurer; and Mrs. R. W. Sletter, secretary. Other board members include Mrs. Porter Neff, Mrs. Glenn Jackson, Mrs. Don Newbury, Mrs. Grace Collins, Mrs. Ed Judd and Mrs. M. M. Morris.

Reward for Winning Jockey

Girls Ride Free To Dance At Camp Monday Evening

Enlisted men and women of Camp White and girls from the Rogue River valley will have an opportunity to hear and dance to the music of the new No. 1 Spotlight Band next Monday night when Frankie Masters and his band play for a formal dance at the Camp White sports arena.

Though it will be a formal dance, special service officers today stressed the fact that formal attire is not a social "must." Girls preferring to wear informal dress for the occasion may do so, the officers said.

It was announced at Camp White headquarters that free chartered bus transportation will be provided for all girls in the Medford area who plan on attending the dance.

However, in order to assure themselves of transportation they should register as soon as possible with the Riverside USO or at The Markade, 6th and Oakdale.

Chartered buses will leave Riverside USO for the Sports arena at 7:30 p. m.

Rogue River Boy Kills Black Bear

Grants Pass, Oct. 11—A small black bear with one shot from a .22 rifle is the hunting record of Johnny Baker, son of Mrs. John Ryan of Rogue River. Johnny, hunting by himself, shot the bear on Pleasant creek Saturday.

The 14-year-old boy killed the bear with the first and only shot he fired from the small bore rifle.

Bears, Mayor Joe Wharton said today, are no longer subject to a closed season but may be killed at any time since the last legislature declared bears predatory animals and established a state-wide year-around open season.

Wave Officers To Come From Ranks

Advancement to commissioned officer rank in the WAVES will be made from the ranks of enlisted WAVES as a result of the announcement that no more women will be commissioned as WAVE officers direct from civilian life after this month, according to official information received by Herb. Crain of the Medford navy recruiting station, which handles WAVE applications in this area.

All officers in the WAVES, after this month, will be selected from the 100,000 enlisted WAVES who will be on duty at 500 naval stations in the United States.

German Officer Not So Anxious For Hero Death

On the Aachen Front, Oct. 11—U.S.—The Germans in a prisoner-of-war cage here probably will mind their language better after today's incident.

A naval officer was strutting around the cage, talking loudly. "Give me back my gun," he said, "and I'll gladly return and die for my fuhrer."

A German-speaking American guard overheard the speech.

"What was that again?" the American asked. "You say you want to go back into the line? Just you open your mouth again around here about what a swell guy Hitler is and how much you'd like to die for him and we'll take you up on it." There wasn't a peep out of the nazl after that.

Cordon Will Speak At G. Pass Meeting Of Mining Council

Grants Pass, Oct. 11—Members of the Siskiyou Minerals association will be hosts at a dinner meeting of the Western Mining council to be held at 6:30 p. m. on Wednesday, Oct. 18, at the Redwoods hotel, according to A. Walker, president of the local association.

Officers and a board of directors will be elected at the meeting for the council, which is made up of 25 California mineral associations and the Siskiyou Minerals association here.

Speaking on matters of interest to mining men in this section will be Senator Guy Cordon, United States senator from Oregon, and Congressman Ingalls from California, it was announced.
