Medford Women Hold Open House At Canode Home

Miss Ora Cox, junior national past president of Daughters of Union Veterans of the Civil War, and Mrs. Blanche Canode, held open house the afternoon of Oct. 7 at Mrs. Canode's home, 1716 Crown avenue. The affair was from three to five o'clock.

Past presidents of the local tent of the DUV were assistant hostesses. Mrs. Walter C. Kindred and Mrs. L. LeRoy Guyer presided at the serving table. Mrs. Francis Brisbane, now president of the tent, and Mrs. George Neilson assisted about the rooms and Dr. Susie Standard, Oregon department chairman, and Mrs. Kate Rowley presided over a display of gifts presented to Miss Cox at the recent national convention in Des Moines, Ia.

Among the more interesting of the gifts were two "green orchid" corsages, one made of ten ten-dollar bills and another made of dollar bills. Other gifts were of a patriotic nature or representative of the locality from which they were presented and were indicative of the high esteem in which Miss Cox is held throughout the national department.

Because of its Oregon significance, Miss Cox had selected articles of myrtlewood for her traditional gifts to officers and aids and the gavel which she used while presiding over the national convention was of the same wood. The national convention program, prepared with the aid and cooperation of the Jackson County Chamber of Commerce had for the cover a picture of Crater Lake and a description of this scenic wonder.

The rooms of Mrs. Canode's home were decorated with quantities of roses from the garden of Mr. and Mrs. Richard Klemm. The 63 guests signed the guest-book were largely members of the local tent, teachers from Medford schools, where both Miss Cox and Mrs. Canode have taught for many years, member of the P.E.O. chapter to which both hostesses belong and Epsilon chapter, Delta Kappa Gamma, to which both belong.

New Members Chosen
Sixteen Medford girls were voted members of Delta Debs at a meeting of the group held last Tuesday at the home of Regina Smith, King's Highway. Names of the new members will be announced later.

Light refreshments were served by the hostess and co-hostess, Joan Smith, following the business meeting.

Posse and Troop Enjoy Barbecue At Murphy Home

Some 60 members of the Sheriff's Posse and the Ladies' Mounted Troop enjoyed a barbecue at the country home of Mr. and Mrs. H. B. Murphy on Ross Lane last Sunday. The barbecue followed a ride, the posse and troop having assembled at the stables at 10:30 a.m.

Later in the afternoon the riders returned to town where many of them participated in the horse show given at the Fairgrounds by members of the Rogue Troopers.

Special guests of the Murphys for the barbecue were Roy Webster, formerly with the Pear Bureau and now a grower from Hood River; Carl Hill, representative of the Pear Bureau in Cleveland, O.; Pete Badalamenti of the Badalamenti Banana company, Detroit, Mich.; Aubrey Compton of the Croger Grocery and Bakery company, Cincinnati, O., and Mr. and Mrs. Harold Miller of Medford.

Mr. Hill, Mr. Badalamenti and Mr. Compton are on their first trip to the far west and were much intrigued with the western riding costumes, the barbecue menu and other typical western ways unfamiliar to easterners.

Serving on the committee for the ride and barbecue were Mr. Murphy, Platt Andrews, chairman, Carl Bismark, Tony Botano and Homer Marx.

The posse and troop will continue to plan rides as long as weather permits.

SOLDIER SUSPECT CLEARED IN GIRL MURDER MYSTERY

Hollywood, Oct. 14—(U.P.)—An unnamed Long Beach, Calif., soldier questioned in connection with the strangulation murder of pretty Georgette Bauerdorf has been eliminated from suspicion as her slayer. Sheriff's deputies said tonight.

The soldier, whose picture was displayed in the dead girl's apartment where she was attacked and her body thrown in a bathtub, was in Sacramento, Calif., on army duty at the time of the murder, authorities said. The youth told sheriff's deputies he had been a friend of the girl's family for a long time. He said he had not seen Miss Bauerdorf for several months.

The photograph and letters from the soldier led deputies to question him in their search for the person who stuffed a towel down the young woman's throat, raped her and left her semi-clothed body in the bathtub early Thursday. Through entries in her red leather diary, a few smudged fingerprints and miscellaneous clues in her apartment, investigators sought to trace her activities the night before she was killed.

Special Gasoline Requires Record

Applications for supplemental or special mileage rations for gasoline must be accompanied by the new mileage ration record, which each motorist received along with his new "A" book, according to E. W. Eggen, district OPA mileage rationing representative. Without this record, the local OPA board cannot issue any further gasoline rations, it was explained.

The new mileage ration record takes the place of the old tire inspection record and is used by the boards to maintain up-to-date information on all gasoline rations issued.

BRICKER LAUDED BY SEN. CORDON AS YOUTH IDEAL

Praise for John W. Bricker, Republican vice-presidential candidate, was spoken here Friday night by Senator Guy Cordon who said "I have had a rare lesson in Americanism today; if I looked for a man as an ideal for the boys and girls of America to follow, I couldn't find one better than John Bricker."

Senator Cordon, running for re-election on the Republican ticket, boarded the Bricker train at Roseburg and came to Medford with the national candidate and his party. He told of Bricker's popularity in his home state of Ohio and of his record in World War I when Bricker served as a chaplain.

Commenting on the campaign as a whole and his experiences in the capital, Senator Cordon said he feared the paternalistic policies of the present administration and added, "an opportunity to use whatever abilities one may have is far more precious than any paternalism that any government may offer."

Senator Cordon was introduced by Ralph Koozer Ashland, chairman of the county Republican committee, who previously had introduced Neil Allen, Grants Pass, state chairman of the party in Oregon. Allen predicted a Republican victory.

Applegate Farmer Wonders How City Hunters Get Shells

A. Heath, farmer of the Applegate district, wishes someone would answer a question for him, the question being "where do hunters get their ammunition?"

Mr. Heath, on a visit to Medford and the Tribune office, stated Friday that scarcely a farmer or cattleman in his district has been able to buy ammunition to hunt either deer or pheasant and yet scores of hunters have visited the area and, well supplied with ammunition, are shooting many deer. Mr. Heath feels a little disgruntled about the deal, arguing that since the deer and pheasant feed off the farmers' crops, the farmers are entitled to an even break with visiting hunters when the season opens.

After touring sportsmen's shops and hardware stores without finding any ammunition for sale, Mr. Heath inquires "where

are hunters getting their ammunition?"

No Apple Change
Washington, Oct. 13—(U.P.)—Price Administrator Chester Bowles said today that 1944 OPA maximum prices on fresh

apples have been "fair and equitable" to the industry as a whole and that no changes in the basic regulations are contemplated.
