96TH DIVISION TO FORE IN LANDING IN PHILIPPINES

Salem, Oct. 21—Among the first three divisions mentioned as having landed in the Philippines is the 96th which trained for some time at Camp White near Medford, and "Oregon should be very proud" of that fact, Governor Earl Snell said today.

The governor said the landing adds to the state's outstanding military record.

The 41st division, containing the Oregon National Guard, was the first division to have been shipped overseas, having arrived in Australia a few weeks after Pearl Harbor. Dispatches have not mentioned the 41st in connection with the Philippines operation.

The 91st division which trained at Camp White before the 96th, is in active service in the European theater.
