## ARMY AND PENN GET REAL TEST NEXT SATURDAY

By Jack Cuddy  
United Press Correspondent  
New York, Oct. 23.—(U.P.)—Un-  
tested Army and fresh-fueled  
Pennsylvania, current football  
biggies of the east, will demon-  
strate Saturday against formid-  
able opposition whether either  
is a genuine contender for na-  
tional laurels.

Army snarls into rugged  
Duke before 57,000 at the Polo  
Grounds, and Penn's Juveniles  
joust with Navy's vacillating vet-  
erans before 73,000 at Franklin  
Field, Philadelphia. Both brawls  
are assured sellouts.

**Cadets Favored**  
The West Point Cadets will be  
favored over Duke because of  
their impressively unblemished  
record for a quartet of contests  
with mediocre opponents—North  
Carolina, Brown, Pittsburgh and  
New London Coast Guard. In  
those four games the soldiers  
rang up an adding-machine total  
of 250 points against a paltry  
14 for the opposition, who re-  
sisted as effectively as toy tanks  
against a bazooka.

Meanwhile, twice-beaten navy  
probably will be a slight favor-  
ite over Pennsylvania despite  
the latter's perfect record against  
Duke, Dartmouth, and William  
and Mary. Betting men fear  
Penn's lack of line depth against  
the deeply-manned outfit from  
Annapolis, potentially perhaps  
the most powerful eleven on the  
nation's gridirons—a strong weap-  
on that is just about ready to  
explode after a half-season of  
power-wasting and bad luck.

## PACKERS CRIMP RAMS RUNAWAY

New York, Oct. 23.—(U.P.)—The  
Green Bay Packers ended at  
least temporarily today the "get-  
rich-quick" success story of the  
amazing Cleveland Rams and  
moved on looking for other Na-  
tional Football league opponents  
to conquer.

The Rams, a motley collection  
at best, threatened to do in foot-  
ball what the St. Louis Browns  
did in baseball, but Green Bay  
cooled their aspirations and fur-  
thered its own yesterday with a  
30 to 21 victory, its fifth straight  
without defeat in league com-  
petition.

The New York Giants, combin-  
ing a slugging offensive with  
a stout defense, maintained their  
leadership in the eastern  
division with a 23 to 0 triumph  
over the Chicago Cardinal-Pitts-  
burgh Steeler combine.

The Philadelphia Eagles, provid-  
ing a success of long runs by  
fleet backs and a 50-yard field  
goal by Quarterback Roy Zim-  
merman, won easily from the  
Boston Yanks, 38 to 0.

Joe Aquirre calmly kicked a  
32-yard field goal in the final  
period to give the Washington  
Red Skins a 17 to 14 triumph  
over the Brooklyn Tigers in a  
game that was closer than had  
been expected.

The Detroit Lions gained a 21-  
all tie with the Chicago Bears  
with the passing and running of  
Frankie Sinkwich, who appar-  
ently has recovered from his ap-  
pendicitis attack, sparking the  
play.

Civilian shoe production to-  
taled 174,883,000 pairs during  
the first five months of 1944,  
according to the War Production  
Board.

## KATONEN GIVEN DUBIOUS HONOR OF FACING MASK

Promoter Mack Lillard an-  
nounced today that he has signed  
Paavo Katonen, former Pacific  
coast wrestling champion, to face  
the Gray Mask in the top  
main event at Medford armory  
Thursday night. The match was  
finally signed after continued  
insistence on the part of the  
Fin who has been clamoring for  
the bout for several weeks.

The Mask, who nearly incited  
a riot last week in beating Buck  
Davidson and was cracked over  
the head with a chair while leav-  
ing the ring, is a master at head  
butting. Katonen, on the other  
hand, is no slouch when it comes  
to using his noggin and also is  
an expert at using the reverse  
chin lift which has been the  
downfall of several of his foes.

Ernie Piluso will come back  
after several months absence  
from the local arena and will  
clash with Herb Parks in the  
middle match.

Tony Ross, who was suffering  
from a touch of flu last week,  
promised Lillard he will be  
ready next Thursday. He will  
face Pat (Rowdy) O'Doudy in  
the curtain raiser, beginning at  
8:30.

The service called attention to  
the prospect of industry being

## RUSSIANS ADVANCE IN EAST PRUSSIA ON THREE ROUTES

Nazis Admit Gains Despite Desperate Resistance—Drivers Aim at Interburg.

London, Oct. 23.—(U.P.)—Soviet  
forces hammered into East Prussia  
along three of the main rail  
lines leading to Interburg and  
the great supply fortress of  
Koenigsberg today and Nazi re-  
ports admitted the advance was  
gaining despite desperate re-  
sistance and the mobilization of  
Adolf Hitler's special "people's  
army."

Neither the soviet press nor  
the official Russian communique  
had yet reported the offensive  
which German reports indicated  
had penetrated up to 20 miles  
inside the reich proper.

But a dispatch from Henry  
Shapiro, United Press staff cor-  
respondent in Moscow, said bat-  
tles "of far-reaching conse-  
quence" were being fought in  
East Prussia and that an announ-  
cement appeared imminent.

The three drives into East  
Prussia were converging on In-  
terburg from the north, where  
the border city of Tilsit was un-  
der red artillery fire, from the  
east, where Nazi reports indicat-  
ed Gumbinnen, only 20 miles  
from Interburg was threatened,  
and from the southeast, where  
soviet troops reached the Goldap  
area after swarming across the  
Rominten Heath, just north of  
the Suwalki triangle.

Nazi Transoceanic agency re-  
ports admitted the Russians  
"achieved some rather deep pen-  
etrations, despite tenacious Ger-  
man resistance."

German counterattacks were  
being mounted south of Gum-  
binnen in an effort to cut off the  
red army supply lines.

DNB news agency reports de-  
scribed house to house fighting  
in Goldap and said Luftwaffe  
units were supporting the wehr-  
macht with low-level strafing  
attacks.

The 1944 wheat crop will  
break all records, with an es-  
timated production of 1,132,105,  
000 bushels, according to the De-  
partment of Agriculture.

## WAG THREATS TO GO OVER HILL GET OFFICIAL STUDY

Fort Belvoir, Va., Oct. 23.—  
(U.P.)—The post public relations  
office said today an investiga-  
tion was being held into reports  
that 100 or more members of  
the women's army corps at the  
post were threatening to go  
"A. W. O. L. in a body" in pro-  
test against their dislike for the  
methods of their commanding  
officer.

The public relations office  
said it understood, however,  
that the complaints were all "of  
a minor nature, such as inevit-  
ably arise in any group of peo-  
ple," and said the Wac command-  
er, Capt. Dorothy Tomhave, "is  
doing a fine job and has the full  
backing of the post command-  
er."

The complaints originated, it  
was said, after the Wacs had  
learned of the transfer of Cpl.  
Marie Sayre to Fort Myer, Va.  
They protested in the meeting  
that the transfer was made for  
personal reasons. The public re-  
lations office said that "natura-  
ly, this action was initiated by  
higher headquarters and had no  
personal significance."

## FIND SLAIN MAN IN PORTLAND BAR

Portland, Ore., Oct. 23.—(U.P.)—  
The body of a man tentatively  
identified as Frank Joseph Cos-  
tantino, 29, of San Francisco,  
was found today sprawled before  
the bar in the Sky Room night  
club of Portland.

Henry Edwards, a janitor, told  
police he found the body when  
he went to the establishment to  
prepare for the opening later to-  
day.

A preliminary examination in-  
dicated a shot had entered just  
below the chin, causing profuse  
bleeding. The spent bullet was  
found 10 feet distant on the rug.  
Police expressed belief the  
bullet may have been fired by  
someone behind the bar. No gun  
was located immediately.
