

## ROTARY GOVERNOR JANOUCH, YOUNG WILL VISIT CLUB NEXT WEDNESDAY

## TO AID VFW IN HOLIDAY PLANS

The Rotary Club of Medford will welcome on Wednesday, Oct. 25, William D. Shannon, Governor of the 101st District of Rotary International, which includes 95 clubs in Oregon, Washington, Idaho, British Columbia and Alaska. Shannon is a consulting civil engineer in Seattle, and a member of the

K. L. Janouch, president of the Medford Chamber of Commerce, and Harry Young, commander of Medford Post 15, American Legion, were made honorary members of the VFW military affairs committee, in a meeting held at Riverside USO Sunday morning.

Janouch will be in charge of civilian cooperation for bringing a detail of marines and sailors from Klamath Falls, and veterans from Camp White, to be guests of the local VFW Armistice Day. Young was made liaison officer between the committee and the local Legion post, for proper coordination of parade matters for the day.

"Local custom has given the American Legion the lead in handling local Armistice Day parades," stated Committee Chairman H. B. Wales, "While the VFW will parade as a single unit, it will march in any section assigned by Col. W. H. Paine, Legion parade chairman," Wales said.

The committee will appeal to the local high school to have the drum corps and as many students as possible meet the incoming marines and sailors the day before Armistice Day, Wales said, to escort them to Hotel Holland where they will be quartered, and where VFW headquarters will be temporarily opened.

William D. Shannon

Seattle Club. He was nominated as governor at the Victoria conference last April and formally elected at the 1944 convention of Rotary International in Chicago, in May.

Mr. Shannon will visit the Medford club to advise and assist President Phillips, Secretary Lantis and other club officers on matters pertaining to club administration and Rotary service activities. He is one of the 140 governors of Rotary International supervising the activities of 5,242 Rotary clubs with a quarter of a million members in more than 50 countries throughout the world.

Despite the war, this worldwide service organization continues to grow in numbers and in strength. Since July 1, 1943, 150 new Rotary clubs have been organized in 13 countries of the Americas and in Australia, Ceylon, China, England, Finland, India, Kenya, New Zealand, Northern Ireland, Sweden, Switzerland and the Union of South America.

## GOLD HILL CLUB MAKES KIT BAGS

Gold Hill now has both a Red Cross sewing unit and a surgical dressing unit. Past Noble Grand club, through arrangements made by Mrs. George Dorman, member of the club, will meet once a month for sewing on kits and hospital garments, as well as sewing at home on articles started in the group.

Mrs. Nell Winne, acting head of production in absence of Mrs. Belle Echenck, who is out of town for two weeks, reports that the unit will start work at once, making 15 sewing units in the county.

Before Mrs. Schenck left, 161 filled Kit Bags, 150 unfilled and 57 pairs of slippers were packed and shipped out of the production rooms at Medford.

The cutting committee met in the auditorium, this morning, to finish cutting 141 kit bags, to be ready for sewing units to pick up the last weeks of October. The fall quota of hospital garment Pacific Area Office, where Mrs. Schenck is expected daily from Medford, expects to consult with the production department heads.

**FILE BUSINESS NAME**  
Grants Pass, Oct. 23—A certificate of assumed Business Name was filed in the county clerk's office Oct. 19 for meat markets, Hartsook and Richey in Grants Pass, City Meat Market in Medford. It was filed by John P. Hartsook, 708 South Sixth street, Grants Pass, and Othar C. Richey, 121 North Central, Medford, Ore.

## MEDFORD JOINS IN OBSERVANCE OF CHURCH DAY

Medford will join with hundreds of other communities throughout the United States on November 3 in the second annual observance of World Community Day sponsored by the United Council of Church Women to bring about greater unity in the study of the church's responsibility for a just and lasting peace. The local observance, which is being planned by the Project committee of the Medford Council of Church Women, will be held in the Church of the Nazarene on Holly at First street at 8:00 o'clock.

The speakers, Ben Schmidt, Mrs. Justin Smith, and Rev. Delbert W. Daniels, will discuss "The Price of an Enduring Peace," stressing the problems of relief and rehabilitation, economic independence, and matters of concern in the homeland.

Commenting on the interdenominational and inter-faith programs to be held throughout the communities of the United States, Mrs. Ruth Mougey Worrell, executive secretary of the National Council of Church Women, says: "We have faith to believe that the women of these United States, through prayer, study and action may determine

the kind of world we covet for our children and our children's children."

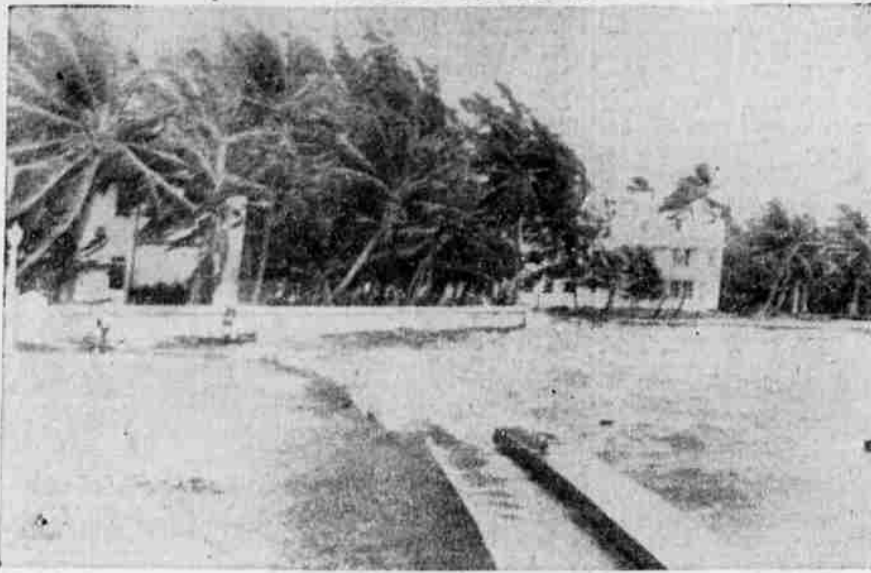

## Lt. von der Hellen Awarded Cluster For Bombing Raids

An Eighth Air Force Bomber Station, England—An oak leaf

cluster to his air medal has been awarded to 1st Lt. Robert L. von der Hellen, 23, for "meritorious achievement" while participating in bombing attacks upon war plants in Germany and upon nazi military defense points and communication lines in support of the Allied armies in western Europe. He is the pilot of an eighth

air force B-17 Flying Fortress in the heavy bombardment group commanded by Lt. Col. George Y. Jumper, Natoma, Cal. Lt. von der Hellen is the son of Mr. and Mrs. Carl von der Hellen, Medford, Ore. Prior to entering the army air forces in November, 1942, he was a logging truck driver. He received his wings at Douglas field, Ariz., in November, 1943.

## Tropical Hurricane Heads for Florida

(Acme Telephoto) High tides lashed by gale winds churn Biscayne Bay, Miami, into a seething cauldron as a tropical hurricane, only a few hours away, began to unleash its fury on the south Florida coast. Note the palm trees, almost bent in two by fury of high winds.

## OREGON OPA CHIEF WILL SPEAK HERE

McDannell Brown, OPA director for Oregon, will speak at 8:00 Thursday evening at the Jackson County Chamber of Commerce. Mr. Brown will have a message for both business men and housewives, and OPA and chamber officials are urging the public to attend. Questions may be submitted either before or during the meetings. Local board members are particularly requested to attend.

## Typhoon Season Is Philippine Problem

Aboard Adm. Kinkaid's Flagship, Philippines, Oct. 23—(U.P.)—One of the greatest problems facing the American invaders of the Philippines, besides the Ja-

panese, is the typhoon season which is expected to reach its height next month and which conceivably might render military and naval operations temporarily impossible.

Utah, the beehive state, is "top of the mountains" in the Ute Indian language.

## 112 DEAD COUNTED IN PLANT BLAST

Cleveland, Oct. 23—(U.P.)—Weary search crews probed deeper into the charred debris of a 50-block section of East Cleveland today, expecting to find the bodies of dozens of persons still missing after a gas plant explosion converted the neighborhood into a crematory which has already yielded 112 dead.

Police and Red Cross reports indicated that 150 lives may be the final reckoning in the city's worst fire. Hundreds of homeless, still counting their loss of kin and property, were housed in vacant stores, schools, churches and homes of sympathetic Clevelanders.

Some 3,000 persons who had been evacuated from the neighborhood and bordering areas were slowly returning to their homes and shops and jobs, assured that two remaining storage tanks at the gas plant offered no danger.

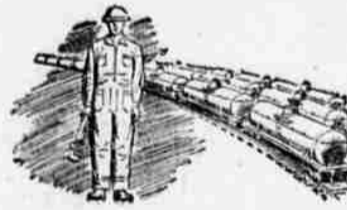

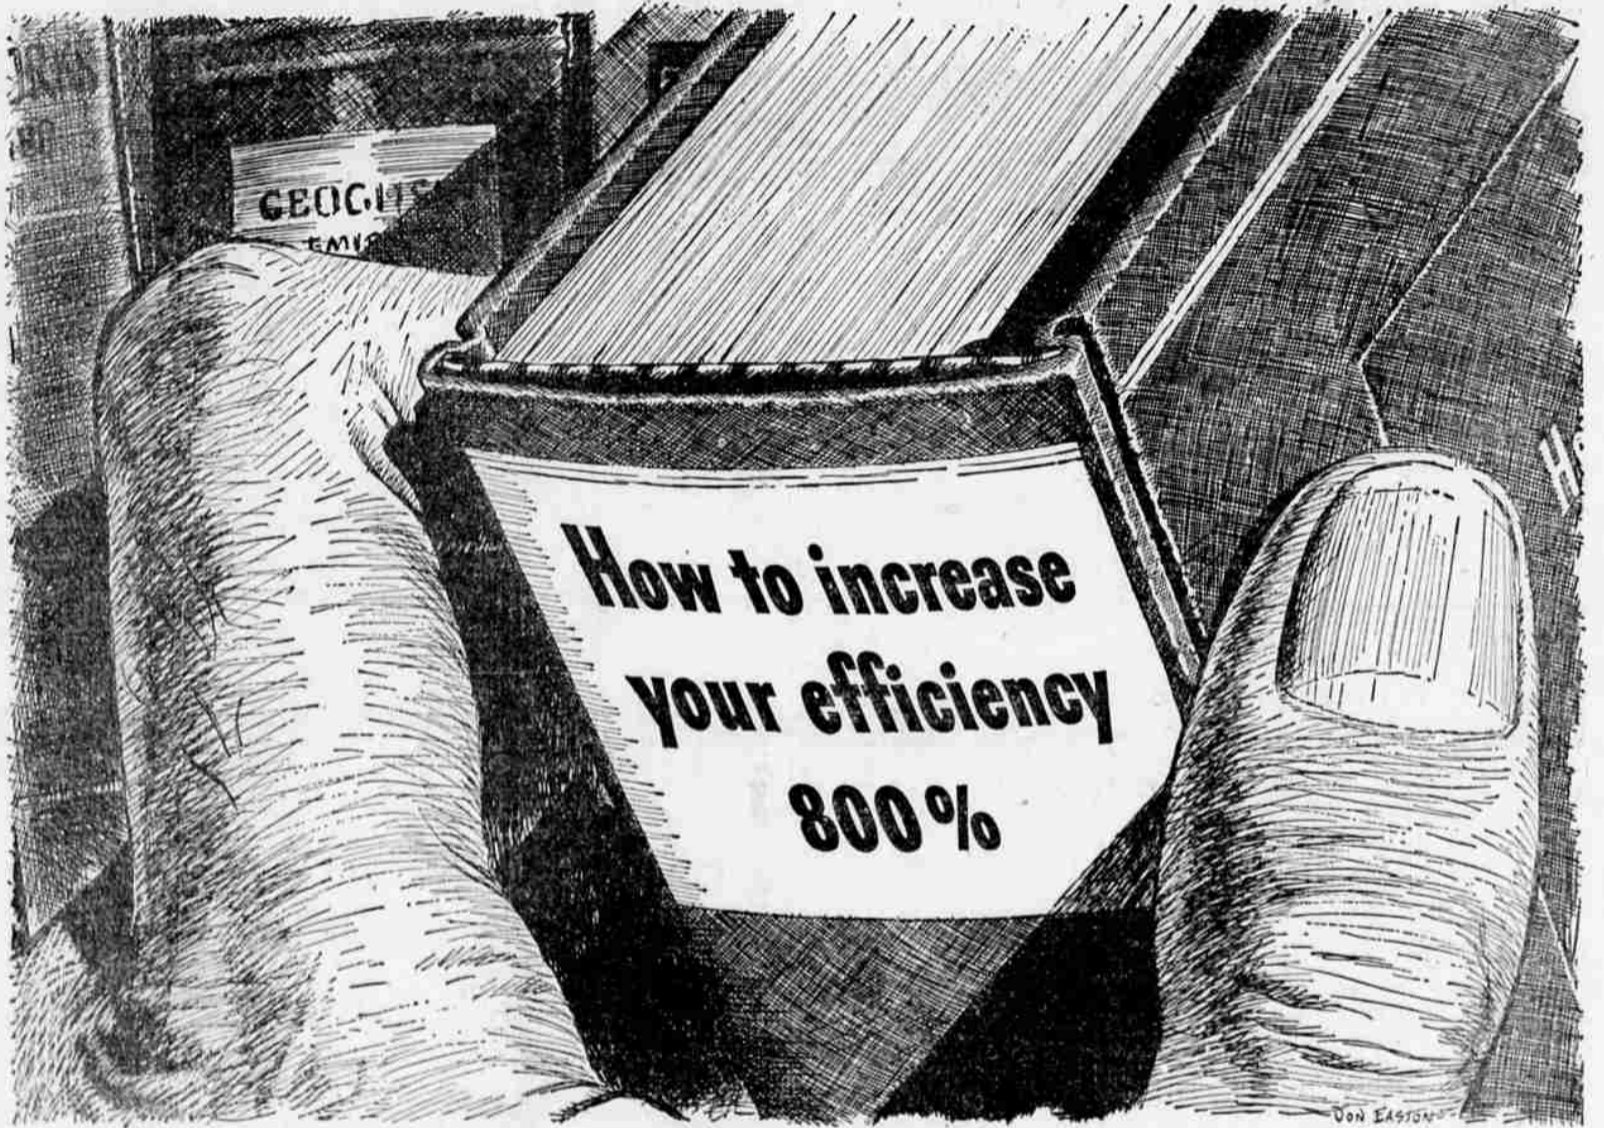

## MEDFORD GUNNER IS WAR PRISONER

Mr. and Mrs. E. C. Albem, 406 King street, received a message today from the War Department that their son, Sgt. Lloyd L. Albem, is now a prisoner of war.

Word was received by the parents on Sept. 25 that Sgt. Albem, a gunner on a B-17, was missing over Czechoslovakia.

Sgt. Albem entered the service in Nov. 1943, and has been overseas since August 10. He was formerly a student at Medford high school.

**WANTED 50 USED CARS**

**1** In 1890, the first year Union Oil Company was in business, there were exactly 100 men on our pay roll. During that year, those 100 men turned out enough petroleum products to fill 273 modern tank cars—an average of 2 1/4 tank cars per man. In 1943, there were 7,869 people on our pay roll.

**2** They turned out enough petroleum products to fill 187,374 tank cars—an average of 23 1/4 tank cars per man. That's an increase of almost 800% in the productive capacity of each man. And it was made on modern products that were far more complex to manufacture than those of 1890.

**3** Does that mean that today's Union Oiler is 8 times the man his grandfather was? No, but he does have far better "tools" to work with. In 1890, each of the 100 Union Oil employees had about \$5,000 worth of equipment to work with. Today, each of the 7,869 has \$39,505 worth.

Year	Employees	Investment Per Employee	Stockholders
1916	3,139	\$14,659	3,029
1922	6,877	18,195	4,029
1934	8,384	26,919	21,525
1943	7,869	39,505	31,375

**4** Now this tremendous increase in investment could hardly have been made without pooling the money of a lot of people. The original 1890 stockholders numbered less than 50. To have financed an improvement program of 310 million dollars would have cost them more than 6 million apiece.

**5** Instead, as the need for equipment grew, they secured additional funds by inviting more and more people to invest in Union Oil stock. This method was not unique with Union. It was used by all U.S. heavy industries. But it is largely responsible for the production efficiencies this nation has attained today.

**6** Of course, we could have formed these pools of money by government ownership. But we Americans have chosen to go it under legal agreements known as corporations. For that way we can preserve the individual's freedom, the efficiency of a free economy and that all-important human incentive—competition.
