Grief-stricken at loss of their homes and anxious for news of their husbands, missing in Cleveland's disastrous liquid gas plant blaze, are these women, Mrs. Jennie Komar (left), holding her 2-year-old daughter, Judy, and Mrs. Charles Flickinger. More than 100 are feared dead in the holocaust, worst in Cleveland's history.

SENATOR PREDICTS FDR TO CARRY WEST

Washington, Oct. 25—(U.P.)—Sen. Harley M. Kilgore, Democrat, West Virginia, predicted today that President Roosevelt will carry California, Oregon, Washington, Montana, Utah and possibly Colorado.

Kilgore, who recently made campaign speeches in these six states, said all were certain to go Democratic but Colorado.

PURPLE HEART GIVEN TO SAMS VALLEY SOLDIER

Word was received yesterday by Mrs. Walter Miller that her husband, Pvt. Walter Miller, Jr., of Sams Valley, has been awarded the purple heart for wounds received in a battle in New Guinea.

Pvt. Miller wrote that, sometime in June, he was sent on a combat patrol and was ambushed. He wrote "A few moments later a fellow was hit and there were several of us who, under machine gun fire, crawled forward and brought him out. Later we went back in again." The citation read "While serving as wire man and telephone operator with a forward party, Pvt. Miller advanced in direct line with heavy enemy fire to rescue a wounded soldier. Having successfully evacuated the man, he returned to aid in an attack that wiped out enemy machine gun positions."

Pvt. Miller stated that he was hit in the hands with a hand grenade but did not say how badly he was wounded.

It had been previously announced that Pvt. Miller had been awarded the silver star.

Pvt. Miller was inducted at Fort Lewis, Wash., in March, 1943. He was trained at Camp Roberts, Calif., and was sent overseas in June of the same year. His wife resides at Merrick's Motor Inn, Medford.

P.-T.A. Activities

Washington P.-T.A.

Washington P.-T.A. joins the other schools of the city in asking that every parent of school age children become a member of the Parent-Teacher association.

Following is a continuation of the reasons for your membership:

5. We want our boys and girls to grow into responsible adults. It's a good idea to let them see responsible adults from their own homes working together in the P.-T.A. Remember that it is far easier to teach by example than by precept.

6. This world needs to learn exactly what democracy is all about, needs to see it in action at close range. Where better than in the P.-T.A., one of the most democratic organizations in America?

Last year Washington school had a membership of 167 and hopes to increase that number this year. Twenty-two children who entered school for the first time this fall were examined by the school nurse and a local physician in our P.-T.A. Summer roundup program. This roundup is planned to discover physical defects that can be corrected before the child enters school.

We sponsor two troops of Brownies, two troops of Girl Scouts and five Cub Packs of the Boy Scouts.

Washington school P.-T.A. supported the drive to get a swimming pool for Medford. We conducted a children's clothing rummage sale last spring.

Washington P.-T.A. has an annual parents night especially planned for the enjoyment of the fathers.

Tomorrow's Mail Tribune will carry two more excellent reasons for joining the P.-T.A.

NEWSPRINT HOPE

Ottawa, Oct. 25.—(U.P.)—The possibility of inreased newsprint production in 1945 was seen here today in reports of increased manpower in the woods, but government officials warned against over-optimism. Twenty-five per cent more pulp cutters were at work during the second week of October than in the same week of 1943 and 5,000 prisoners of war are at work in the woods.
