Relieve that Tormenting PIN-WORM ITCH

It is no longer necessary to put up with the trouble caused by Pin-Worms. Don't let your child or yourself suffer that tormenting, embarrassing rectal itching, or take chances with the internal distress. Medical science has now discovered a new and highly effective way to deal with this stubborn and troublesome infection. This important scientific discovery is a remarkable drug known as gentian violet. It is the vital element in P-W, the new Pin-Worm treatment developed by the laboratories of Dr. D. Jayne & Son, America's leading specialists in worm medicine. P-W tablets are small and easy to take, and they act in a special way to destroy the ugly creatures. Watch for the warning signal itching nose and seat, urinary stomach, bed-wetting, uneven appetite. Remember that now there is a treatment that works on Pin-Worms as no old-fashioned "worm syrup" or "worm candy" could. So if you even suspect Pin-Worms, get a box of P-W right away, and follow the directions carefully. P-W means Pin-Worm relief!

a trap set by the Chinese at Sungkiangkou. The defenders first cut the Japanese retreat in the rear, then swooped down from the other three sides Monday and wiped out the entire enemy force. Large supplies of military equipment were captured at Sungkiangkou, and approximately 600 enemy soldiers killed, wounded or captured.

GREEK GENERAL MERCILESS FOE

Lamia, Greece, Oct. 23—(U.P.)—Frankly admitting that he kills all German prisoners on the battlefield and that his men have killed 2,000 Greek Peleponese either in battle or after trials, General Ares, stocky, bearded leader of Elas—the Greek popular liberation army—bore out his reputation as a merciless fighter today.

The slain Peleponese, he said in an interview at advance allied headquarters here, were members of nazi security battalions and deserved to die. He would have had warned them they would die unless they surrendered and that he carried out this threat until ordered by the Greek government to cease these trials. As for the Germans, he said,

they have done the same thing to his men.
