One of Our Advertisements Appearing
Now in Many National Magazines

FOR MANY years we at American Fruit Growers have been shipping our gift packages of fruit and Yuletide Clusters to people in all parts of the country. We started several years ago in a small, modest way—the few hundred boxes that first year were packed and shipped after hours by our office girls who wanted a little extra cash for Christmas.

It wasn't long before the reputation created by fine quality and craftsmanship of our gift packages, extended into thousands of cities, towns and hamlets throughout America. This year, our national advertising campaign is producing an avalanche of orders which necessitates our packing and shipping many thousands more packages than we originally intended.

Therefore, in order for us to live up to our role of Santa Claus, we must augment our already large production department, now totaling hundreds, with an additional 250 new employees for packing Baskets and Boxes. We also need 60 additional typists, order checkers, filers and bookkeepers for our office.

A Profitable Craft

Basket and Gift Box packing is an art like decorating or flower arrangement, and with our gift package business growing so fast, those learning now will always find a job open to them in the post war years.

250 More Ladies Needed Now

All of our packing is part or full time work, whichever you may choose. New training classes are formed each day to teach you to become an expert in packing big, beautiful baskets of du Comice and D'Anjou Pears, and other fruits along with gift boxes of pears and our Yuletide Cluster ensembles. You are paid by the piece, so as you become more

proficient your compensation will increase rapidly. And we mention again that your pay starts immediately as soon as you are accepted as a class member, so you are paid while learning.

Ideal Working Conditions
Rest periods regularly. Lunch room with free coffee. Trained nurse and complete hospital room.

In new, well lighted, heated, and ventilated building, located on Fir Street, just off Main, you will, we are sure, enjoy this pleasant work. Especially designed basket and tray packing tables make everything comfortable and efficient. Fruit and packing materials right at your elbow. Associating, as you will with other housewives and neighbors, we know you will enjoy working in these pleasant surroundings.

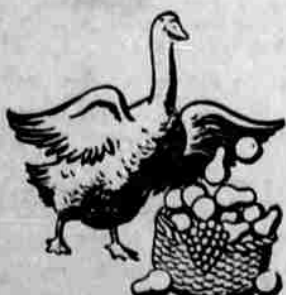

So, to the ladies of the community, you are cordially invited to join our increasing Blue Goose family of Christmas workers. Packing our Gift and DeLuxe Boxes commences November 3th; packing Trays and Baskets commences November 10th. However, we would like to enroll you now and keep in mind that work will last until Christmas Eve.

When you come in, ask for Miss Thelma Tolles, our Personnel Manager. Interview hours Thursday, Friday and Saturday, 10:00 A. M. to 12:00 Noon, 2:00 P. M. to 5:00 P. M.

We welcome you to our happy Blue Goose family and hope for the pleasure of seeing you among us.

Sincerely yours,

GORDON R. GREEN,
Division Manager
