**Wall Street**  
New York, Nov. 1—(U.P.)  
Aircraft shares led stocks higher today and most of the group registered new highs for the year.

Trading increased over the previous session entirely because of the activity in the Aircrafts which made up about 15 per cent of all the business done on the exchange.

Demand for the group was a continuation of yesterday's rise which was set in motion when Prime Minister Churchill said the war in Europe could last until Easter. That also helped
