HOME PURITY BREAD

An Old-Fashioned Oven Treat

No matter how you serve it Home Purity Bread is an oven treat.

Thoro baked for easier digestibility it has that homey flavor found only in the products of the Home oven.

Made with finer and costlier flours specially blended for flavor — Vitamin enriched to enhance nutrition — slow baked to insure pleasant eating and full nutritional value — plus Dextrose Sugar.

Try it for Sunday breakfast toast. See how evenly it browns, how fragrant and flavorful good bread can be. Give it to the children with jam for the afternoon snack.

SAVE ALL PAPER BAGS!

DON'T Put Them in The Waste Paper Drive!

BAGS are now scarce and will be almost impossible to get later.

Save them. Put a proper size bag in your hand bag and thus insure yourself a bag for your groceries. If you have a surplus return them to your grocer.

If put in the scrap drive they are merely sent to the mill and made over. Use them until worn out.

For your own convenience and for the best cooperation in paper saving — use paper bags again and again.
