ROUGH MAT CARD SET FOR ARMORY ARENA TONIGHT

Wrestling fans who like their matches rough and tough will get a rare dish at Medford Armory tonight when Promoter Mack Lillard presents three thrill-studded clashes on his weekly menu.

Topping the list will be the one hour grind between the unbeaten Gray Mask and Bulldog Jackson. This bout carries grudge proportions brought on by Jackson's continual heckling and a verbal row that nearly resulted in blows following last week's matches.

In the four round semi-wind-up Pete Belcastro will face Ernie Piluso in a match that threatens to rival the top go for rough action. Belcastro's alley-type tactics are known up and down the coast as is Piluso's ability to deal with men of this type.

Opening the program at 8:30 will be a three round clash between Pat (Rowdy) O'Douidy and Earl Malone. Neither resorts to clever wrestling if he can get in a stiff blow or other illegal maneuver.

TWELVE DIE OF GRID INJURIES

Lafayette, Ind., Nov. 16—(U.P.)—A survey conducted by Dr. Floyd R. Eastwood of the Purdue university division of physical education revealed today that 12 youths have died this fall from injuries received while playing football.

Eastwood reported that deaths resulting directly from football in colleges, high schools, athletic clubs and on sandlots had declined from a high of 31 in 1931 to a low of eight in 1940. There were 12 fatalities in 1941 and nine in 1943. No survey was made in 1942.

OHIO STATE'S BOWL BID REFERRED TO FACULTIES

Chicago, Nov. 16—(U.P.)—Maj. John L. Griffith, western conference athletic director, said today that Ohio State's request for permission to play in the 1945 Rose Bowl football game "is entirely up to the member schools' faculty representative." He refused to comment further. Griffith's statement followed a report by L. W. St. John, Ohio State athletic director, that O.S.U. definitely would play in the coming west coast classic if the conference lifted its long standing ban against member schools playing in post-season games.

Mogul Metallize those Worn Parts

METAL SPRAY

• Mogul Metallizing is the miracle process that is economically restoring to original dimensions worn-out metal parts for every kind of machinery ranging from the smallest household equipment to heavy oil field and farm equipment. Not only can parts be rebuilt with the corresponding metal they are made of, but they can be given a coating of other metals, stainless steel, aluminum or any desired metal obtainable in wire form.

TORNADO DRILLS ON PASS DEFENSE

Coach Al Simpson has been drilling his Medford Black Tornado football team hard all week in an effort to stop the passing attack of Coquille's Red Devils when the two teams clash here Saturday night in a game to decide the championship of district 2 in quarter finals of state title play.

Medford's pass defense showed some weak spots against Ashland last week, but Simpson feels these will be ironed out by game time Saturday.

Coquille, like Medford, has an unbeaten record and is said to have a fast team which throws a lot of passes.

Simpson said, with the exception of Cahill, his team is in fine physical and mental condition and realizes they are up against a tough foe and must win if they want to go to Portland for the finals.

JUNIORS TO PLAY GP FROSH FRIDAY

The Medford Junior high-Grants Pass frosh game, scheduled to be played Saturday, has been moved up to Friday afternoon, Norman Sting, junior high coach, announced today. It will be played on Medford high turf at 3:30.

Sting's lineup will be hampered by the loss of Fullback Jerry Jennings, who has speckled the team to their only two wins of the season, and by the loss of Armond Myers, first string tackle. The rest of the team, Sting said, are in good shape and pointing toward a win which would give them second place in the league.

Ashland leads with five wins and no losses and Medford and Klamath Falls are tied for second with two wins and three losses. Grants Pass is in the cellar position with one win and four defeats.

Paul Davis of Grants Pass will referee the game.

TALENT TO PLAY POINTERS FRIDAY

Talent Bulldogs and Central Point will battle it out at Talent Friday afternoon at 2:30 in a six-man football game which will decide leadership in their half of the county league. The winner will play Rogue River, probably within a week, to determine county champions.

At present Talent leads with four wins and one tie while Central Point has three wins and one defeat, administered by Talent.

Pointers must win from Talent and Prospect to cop the title and right to meet Rogue River while the Bulldogs need only a win tomorrow to take the crown.

LOUIS DISPLAYS OLD SKILL IN EXHIBITION

Elizabeth, N. J., Nov. 16—(U.P.)—Sgt. Joe Louis, a little heavier but definitely not paunchy, provided further evidence today that his career as a soldier had not jeopardized his boxing future after a sharp and fast exhibition decision over Dee Amos, a 210-pounder from New York. Louis, weighing 214 pounds, used Amos for a "punching bag" and the New York boxer was almost out on his feet last night at the finish of the three abbreviated rounds of two minutes each.

BOWLING

Office Boys took three straight games over Henry's Drive In in City Bowling League last night. (White 220-536). Other results were State Police two games to one over Union Oil (Welsensburger 213-587), and Firestone three to nothing over PMT (Bell 223-600).

Bombs on Germany

A SHOWER OF FIRE-BOMBS is quickly followed by a 4,000-pound blockbuster as this British Lancaster bomber flies high over industrial Duisburg. More than a thousand of these big R.A.F. planes took part in the same recent daylight attack.

at the Gold Hill Grange next Saturday, with serving from 5 to 8 p. m. Following dinner, Ben Schmidt, Medford Y.M.C.A. secretary, will give a lecture on "Home Life in China."

Following the lecture, hand made pillow slips, aprons, table covers, dresser scarfs, dish towels, baby hoods, booties and various other items nice for Christmas gifts will go on sale. There will also be a fish pond, white elephant sale, vegetable booth, a fortune teller and other attractions. Recreation and dancing in charge of Marie Christensen will wind up the evening's program.

Lake Creek Grange met in regular session November 10 with 19 members and one visitor present.

Officers were elected for 1945 as follows:

Master, Lloyd George; overseer, Floyd Hickman; lecturer, Ozie Burrell; steward, Gordon Stanley; treasurer, Claus Charley; secretary, Elynn Charley; chaplain, Laura Hickman; gatekeeper, Dwayne Hickman; assistant steward, Leland Meyer; lady assistant steward, Dorothy Stanley; Ceres, Joan Deamon; Pomona, Lillian Darnon; Flora, Betty Bradshaw; executive committee, Tom Stanley, George Brown and Leonard Bradshaw.

The special committee on the finishing of the basement floor reports that the gravel is now at the Grange hall. The weather has been the main factor delaying completion of the project. The new floor will be a great improvement and a luxury to the ladies who have walked so many years on the uneven footing.

Grange will send gifts to babies of two of our past members, Robert Campbell, son of the former Gwendolyn Charley, and Vickie Carter, son of the former Catherine Walch. Best of health to both infants.

We have many new residents in the community and hope to have them all as new Grangers soon.

Next meeting is December 8 at 8:30 p. m.

The extension unit is sponsoring a reception for the school teachers and the new consolidated districts Friday evening, December 17, starting at 8 o'clock in the school assembly room. The new addition to the school will be open for public inspection also the same evening.

Deepest sympathy of the community is extended the family of Mrs. Jennie Charley of Medford whose funeral took place

Mrs. Gustie Seefield left Tuesday for Eugene for a few days' visit with a sister living there.

"BUTCHER" BRODOWSKI KILLED TRYING ESCAPE

Paris, Nov. 16—(U.P.)—The newspaper France Libre said today that German General Fritz Von Brodowski was killed recently by FFI guards when he attempted to escape from his internment camp at Besancon.

Brodowski's diary, the report said, revealed that he ordered numerous atrocities committed against the French population during the German occupation, including the destruction of the village of Oradours Glane in the Limoges area.

At Oradours Glane, it asserted, 600 women and children were burned alive in a church that had been set afire by Brodowski's troops.

Chamber Informed Parks Need Not Be Near Main Highway

In response to a question regarding the location of state parks, the Chamber of Commerce has been informed that while they are usually located near highways, this is not a hard and fast rule of the highway commission. The inquiry was made in relation to the proposal that a tract of land be obtained along the banks of the Rogue river for a state park when Camp White is released by the army.

Frank Hull, manager of the Chamber of Commerce, wrote the commission about the matter when it was brought to the attention of the chamber that the parks are for the most part near highways. S. H. Boardman, state parks superintendent, pointed out in his reply that two of the recently acquired state parks are located two and four miles, respectively, from the main highway in the area served.
