SURPRISE!

Des Moines, Ia., Nov. 17—(U.P.)—Members of the Iowa board of social welfare were recovering today from their amazement over a letter received from a 69-year-old woman whose old age assistance grant had been increased from $17 to $19 a month. "I don't want it, because I don't need it," she wrote. "I simply couldn't use any more money."

A farm with 15 mortgages pyramided on it was found by a student investigating New Zealand farmers' speculative tendencies.
