

COUNTY SCHOOL CHILDREN HELP CLOTHING DRIVE

Jackson county school children will cooperate next week in a second clothing drive for the Children Federation, an organization conducting social welfare service for the impoverished children in neglected and rural areas of the United States and wartime aid for the relief of children overseas. First of the clothing drives was last spring.

Arrangements for the drive were made by Dr. Sherman L. Divine, district supervisor for the federation, who was in Medford recently from Portland. It will be held Nov. 20, 21 and 22 and on three days children will bring clothing to the schools which they attend from where it will be collected and shipped.

Literature issued for the campaign states that all kinds of clean, usable clothing is needed. High heeled shoes and more elaborate type of dresses can be sold and the proceeds used to purchase needed articles, it is

said. Blankets are needed, and it is pointed out that adult clothing if donated will be cut down and made into children's sizes. Golf and sport shoes can be used.

The clothing should be wrapped in a paper bundle. Pairs of shoes should have the laces tied together, the instructions state.

FLOCKS DANGERED BY GIANT DRIFTS

Elko, Nev., Nov. 17—(U.P.)—Highway crews and volunteers, riding giant bulldozers, road scrapers and snowplows battled giant drifts on roads south of here seeking to open a way into the rugged country where more than 25,000 head of sheep and an undetermined number of herders are marooned by heavy snows.

It was feared if the roads are not opened in the next few hours thousands of head of sheep will perish for lack of food, the usual forage now being buried under as much as 30 inches of snow on the level.

Trucks, loaded with hay, are ready to speed into the area as soon as roads are opened.

LETTER SEEKS APOLOGY FOR FDR SWEARING

Glendale, Cal., Nov. 17—(U.P.)—A letter was on its way to President Roosevelt today, requesting that he apologize publicly for his "shocking profanity" while casting his vote in Hyde Park, N. Y., election day.

The letter, written by the Glendale Ministerial association, referred to a story in the November 13 issue of Time magazine which quoted the president as saying:

"The goddammed thing won't work," when he attempted to pull down the lever of the voting machine.

The letter said the association expressed "grief over your regrettable breach against God and the consciences and hopes of millions of people of this and other lands by your shocking profanity on election day..." as reported by Time magazine.

Washington, Nov. 17—(U.P.)—White House officials had no comment today on the request of the Glendale, Cal., Ministerial association that President Roosevelt apologize for "shocking profanity" attributed to him.

HOPE PROGRAMS SAID OFFENSIVE

Boston, Nov. 17—(U.P.)—The Pilot, official organ of the Catholic Archdiocese of Boston, editorially criticized as "offensive" today some of the programs presented by Comedian Bob Hope at service camps.

While paying tribute to Hope's many activities in behalf of servicemen, the Pilot said:

"Some of the men who hear the comedian's artful filth, whose minds recur to it afterwards... are going to die. The church has no invocation against sudden death. But she does have an incessant and very earnest prayer against 'a sudden and unprovided death.' Does it mean nothing to Mr. Hope that some soldiers, because of his 'morale-building' programs, may face their God unprepared for the reckoning?"

Steelhead Go For Lock of Red Hair Is Yreka's Claim

Yreka, Cal., Nov. 17—(U.P.)—A lock of hair from a red-haired woman is irresistible to steelhead trout, among other species, fishermen were advised today.

However, Miss Lynette Delatour of Orleans, who helped test the theory in the Klamath River fishing resort, announced that her own tittian strands were no longer available to anglers.

Miss Delatour contributed her red hair to Mrs. Dorothy Hill of Yreka who had flies made from it. On her first try, Mrs. Hill landed a 10½ pound steelhead. On her second, she caught an eight and a half pounder.

WOMEN'S DEAN AT UNIVERSITY DIES

EUGENE, Nov. 17—Mrs. Hazel Frutman Schwering, dean of women at the University of Oregon, died at a local hospital here Thursday, 36 hours after the death of her husband, Dr. Charles Leslie Schwering, Eugene dentist, who succumbed late Tuesday following a heart attack.

Mrs. Schwering, a native of Earl Park, Ind., was 45. She came to Oregon in 1927 and on June 1, 1929, was married to Dr. Schwering.

Mrs. Schwering first joined the university staff in 1929 as assistant dean of women. From 1930 to 1934 she was acting dean, her appointment as dean of women coming in 1934.

Dr. Schwering, 48, had just left the hospital after visiting his wife Tuesday night when he suffered the fatal heart attack. He had practiced dentistry here for 19 years. He was a graduate of the University of Oregon and Northwest Pacific Dental college in Portland. He was born at Atkinson, Neb., March 28, 1896.
