

We're out to get Japan!

***Let's go America!* YOUR 6TH WAR LOAN DRIVE**

THERE can be no victory until the final battle is won. There can be no victorious homecomings until the last shot is fired and the last enemy surrenders.

It costs billions of dollars a month to fight Japan. A mountain of new-type equipment is needed for the battle of the Pacific. And that's why the 6th War Loan Drive is just as important—perhaps more important—than any previous war loan drive.

You know all the personal advantages of buying war bonds: \$4 back for every \$3 you

invest in 10 years; security for your future; a fight against dangerous inflation. But over, and above these personal interests is the great patriotic need for everyone to get behind the fight to lick Japan. Yes, there's a long, tough war still ahead of us. Our soldiers haven't stopped fighting—DON'T YOU! Buy at least one extra \$100 War Bond in the 6th War Loan Drive. Buy more if you possibly can. Remember, the job in the Pacific is still terrific—keep on buying War Bonds until final victory is won!
