

## SLAMMIN SAM AND TURNESA TO FORE ROSE CITY MEET

Portland, Ore., Nov. 25—(U.P.)—Slammin' Sammy Snead and Mike Turnesa held their superiority over the field in the Portland \$15,500 Open Golf tournament at the three-quarter point tonight despite a day-long rain and good golf from the closely bunched pack at their heels.

Turnesa, the White Plains, N. Y., perennial contender, one of seven golfing brothers, finished early with a three-over-par 75, boosting him to 217 for three days. He passed the Virginia Hot Springs Ace, Snead, yesterday by two strokes and will be hard to blast out of the first money, although the stretch drive will be close tomorrow.

Snead still was having trouble with his drive and putts but toured the first nine in 36, one over par. In the same threesome, however, National PGA Champion Bob Hamilton of Evansville, Ind., was burning up the course with a 34, including four birdies in the first nine holes. Seven strokes back when play started today, Hamilton will certainly be a contender in the finals.

Zell Eaton, dark horse from Los Angeles in third place at the half-way mark, slipped back with a 78 on the water-covered greens to end up with 223, the same score posted by Denny Shute, Akron, O., whose 78 to day was his worst of the tournament. Fred J. Wood, Vancouver, B. C., also finished with 223 on the basis of a consistent record of 75, 74 and 74.

A par-busting 70 by Jimmy Johnson, Dearborn, Mich., tying Snead's open round, dropped him down to 227.

The silkworm, used in China as early as 2600 B. C., first appeared in Japan in 300 A. D.

## YALE, VIRGINIA PLAY DEADLOCK

New Haven, Conn., Nov. 25 (U.P.)—The Virginia Cavaliers, caring little for the fact that Yale's Bulldogs were shooting for their first perfect record season since 1923, blemished the Eli Escutcheon today with a 6-to-6 tie before 18,000 badly disappointed fans in the Yale bowl.

For Virginia the tie settled a score that had rankled with the Cavaliers since 1941 when Yale scored a 21-to-19 upset victory to spoil a perfect record season and the valedictory appearance of All-America Bill Dudley, the top back in the southland that year.

**HOWARD ENTRIES WIN**  
Inglewood, Cal., Nov. 25—(U.P.)—C. S. Howard took top honors in the double-barreled \$10,000-added Haggin stakes at

Hollywood Park today when his Sea Swallow won the second division and his Bismarck Sea and Mediterranean took place and show in the first heat.

## DUKE, ALABAMA IN SUGAR BOWL

New Orleans, Nov. 25—(U.P.)—Duke University's Blue Devils will be pitted against the Crimson Tide of the University of Alabama on New Year's Day in the Sugar Bowl, A. B. Nichols, president of the New Orleans Mid-Winter Sports association announced tonight.

Duke completed its nine-game schedule today with a 33 to 0 win over North Carolina, its traditional rival. Duke won five and lost four games, falling before Pennsylvania, North Carolina Pre-Flight, Navy and Army on successive week-ends, while coming back strong to win their last four over Georgia Tech, Wake Forest, South Carolina and North Carolina.

## SIX-MAN WINNER PLAYS OAKRIDGE

Talent high school's six-man football team, winner of the eastern division, will meet Rogue River, western division champion, on Medford high school turf Tuesday afternoon at 3 o'clock for the Jackson county championship.

Winner of the game will clash with Oakridge at either Medford or Roseburg for the state six-man championship. Roy Parr of Talent said yesterday the site would not be definitely picked until after the game here Tuesday.

Oakridge has an undefeated team and readily agreed to meet the Jackson county champions.

## BELGE PARADERS AND COPS CLASH

Brussels, Nov. 25—(U.P.)—Police clashed today with the vanguard of 20,000 demonstrators protesting the disarmament of resistance groups and first reports said up to 40 persons were injured in a battle of machine guns and hand grenades in front of the ministry of justice building.

The parades were the greatest demonstration yet against the Hubert Pierlot ministry two weeks ago in ordering members of Belgium "White Brigades" to surrender their weapons. After a brief flurry of violence, the parade reformed peacefully.

## DARTMOUTH WINS OVER COLUMBIA

New York, Nov. 25—(U.P.)—Dartmouth defeated Columbia, 18 to 0, before 12,000 fans in Baker bowl today in a bitterly contested game.

The big green struck twice on long gainers, opening the scoring with a 47-yard pass in the second quarter and closing with a 75-yard spring in the final period. In between they sandwiched a 26-yard drive in short plunges, with Fullback Harold Saanson scoring from four yards out in the third quarter.

## Panthers Conquer Penn State, 14-0

Pittsburgh, Nov. 25—(U.P.)—Clark Shaughnessy's Pitt Panthers struck twice in the third period today to defeat their traditional rivals from Penn State, 14-0, before 10,000 fans at Pitt stadium.

Entering the game as 8-5 underdogs, the Panthers went to work in business-like fashion, threatening twice in the first period, staving off two state scoring threats in the second and then putting the game on ice in the third.

**PENN DOWNS CORNELL**  
Philadelphia, Nov. 25—(U.P.)—A Penn eleven, stung into a second half fury by touchdown-depriving penalties and a stubborn Cornell line, roared back in the last two periods today to defeat the Big Red, 20-0, in the 21st annual renewal of their historic gridiron rivalry.

## ESCAPEES TELL OF LIFE AND DEATH IN MURDER CAMP

Washington, Nov. 25—(U.P.)—"Those remaining, about 300, were immediately gassed and burned in the usual manner."

This line, varying but slightly, runs like a refrain through first hand reports released tonight by the war refugee board of life and death inside the German "extermination camps" of Auschwitz and Birkenau.

The reports were written by two Slovakian Jews and a Polish major who escaped from the camps. They estimate that about 1,765,000 Jewish prisoners were gassed at Birkenau from April, 1942, to April, 1944.

Both camps are in southwestern Poland. Although Birkenau was the main slaughterhouse, Auschwitz produced its share of murders, too. Jews generally were gassed. Some were killed with injections of phenol in the heart. Non-Jews usually were shot.

Theoretically, only the aged, weak and ill were murdered. Those able to work were permitted to work—until they became ill. A prisoner ill enough to be hospitalized seldom recovered, especially if he were a Jew; he was gassed or given a heart injection of carbolic acid.

Jews from all over enslaved Europe were transported to the two extermination camps in the hundreds of thousands. The Polish major described a "hygiene institute" where German doctors performed biological experiments with "male and female prisoners, especially Jews."

"Here," the major's report said, "sterilizing by X-ray treatment, artificial insemination of women, as well as experiments on blood transfusion were carried on."

## Brownsboro

Brownsboro, Nov. 27—Mrs. Martha Schierholz of Glendale, Calif., is visiting at the home of her daughter, Mrs. A. R. Rutledge. En route to Oregon Mrs. Schierholz spent a month in Carson City, Nev., at the home of another daughter, Mrs. Esther Lane, who visited in Brownsboro last summer.

Cpl. Eldred Charley from Puerto Rico is home on furlough for a few days. He is visiting his grandmother, Mrs. E. M. O. G. Charley, and his uncles, Leland and Claus Charley.

Wayne Wakefield, 2/c, and Mrs. Wakefield of Medford visited at the George Brown home a few days last week.

Mrs. Weaver of Bandon is spending a few weeks visiting at the home of her brother, J. E. Renfro.

Mrs. Hawe Strahm, Mrs. Jim Trammell and Mrs. H. W. Wright attended the Eagle Point extension meeting at the Keim home last Thursday.

The community extends its sympathy to the Reed Charley and Nora Bradshaw families in the death of their mother, Mrs. Jennie Charley. Mrs. Charley was one of Brownsboro's pioneers. Her outstanding fine personality has been an example for many.

Mrs. Berty Crews of Medford is spending a few days at the Howard Johnson home.

O. R. Wright of Medford visited at the home of his brother, H. W. Wright, last week.

## GREAT LAKES WIN

Great Lakes, Ill., Nov. 25—(U.P.)—Great Lakes' Bluejackets poured through for 21 points in the second quarter today to whip Fort Francis E. Warren from Wyoming, 28-7, before 2,000 shivering sailor fans at Ross Field.

Sixty-five per cent of all car thieves arrested last year were under 21 years of age.

## CIGARET FAMINE QUIZ BY SENATE EARLY PROSPECT

Washington, Nov. 25—(U.P.)—Agents for the Senate War Investigating committee today began gathering information on the basis of which the group will decide whether to conduct a full-dress inquiry of the growing cigarette shortage.

At the same time, District of Columbia Office of Price Administration officials mapped plans for an inquiry into the cigar shortage which National OPA officials said might be used as a model for similar investigations in other areas where "smokes" are particularly scarce. The inquiry is designed to bring information about prices being charged for cigars and other information relative to the shortage.

Sen. Homer L. Ferguson, R., Mich., a member of the Senate committee, proposed it undertake an inquiry into the cigar shortage because "news from the front indicates that the scarcity of needed smokes is affecting the fighting men."

## JAPANESE GIVEN RIGHT TO FIGHT

Cleveland, Nov. 25—(U.P.)—Nearly two years ago Henry Ebihara, 24-year-old Tokyo-born Japanese, wrote to President Roosevelt and asked for "A chance to fight to preserve the principles that I have been brought up on and which I will sacrifice at any cost."

Today, Ebihara had his request granted, for he was the first of his race in the United States to volunteer under a new war department ruling which permits Japanese to enlist in the army.

Ebihara, a war worker in Cleveland since the war relocation authority moved him here from the west coast about two years ago, said he expected to be called up soon for a physical examination preliminary to his induction.

## PLAN DRIVE FOR MORE WAR LABOR

New Orleans, La., Nov. 25—(U.P.)—A vast recruiting drive to secure 100,000 additional workers for critical war industries will be launched at once by the American Federation of Labor in response to a plea made by army supply chief Lt. Gen. Brehon Somervell, it was announced today by William Green, AFL president.

The drive will be under direction of Louis Hines, Washington, former director of labor for Pennsylvania. All information will be cleared through him and distributed to local unions.

Green's announcement came after he conferred today with leaders of four international unions and military representatives.

## Are You One of the 20?

**9** X-RAY technicians and 11 Occupational Therapists from Medford are needed urgently for duty in Army Hospitals throughout the country helping our wounded fighting men back to health. These are technical jobs and if you have not had previous training you will be trained at Army Medical Schools by the nation's finest instructors.

**B**ROKEN-BODIED men are returning constantly from the war fronts. To insure them the health that they so richly deserve X-ray technicians are needed to help in the diagnosis of their injuries so that they may be helped back to normal life as soon as possible. Occupational therapists... 11 from Medford are needed desperately to help men regain the confidence, and the will to live they have lost in the hall of the modern war. YOUR job is with them, teaching them how to work again despite their war injuries.

WAC Sergeant Mary Elizabeth Wood of Bryn Mawr, Pennsylvania, gives physiotherapy treatment to a wounded soldier at Halloran General Hospital, Staten Island, New York. The work she is doing will help wounded soldiers regain the use of torn muscles and injured limbs. Twenty-two thousand women are needed to serve as WAC medical technicians in Army hospitals.

## THE U. S. ARMY MEDICAL DEPT. URGENTLY NEEDS 20 MEDFORD WOMEN NOW!

### • Can You Qualify?

If you are between the ages of 20 through 49 (inclusive), have no dependents under 14 years of age and have two years of high school education, you are eligible to become a WAC and serve with the Medical Department. Previous experience is not necessary.

### • What it Means for You

As a soldier serving with the Medical Department you will have the personal satisfaction of knowing that you're doing YOUR part toward aiding men back to health who have been fighting for you. After the war you will have the full advantages of the G. I. Bill of Rights, plus technical training and experience which you could never obtain in civilian life.

Good soldiers...
