Wacs Are Going Places!

Around the world— a glorious war record

In LABRADOR, a Wac helps speed a B-24 on its way overseas . . .
Behind the lines in Italy, a Wac flashes a message from General Clark to the storm center of battle. "Somewhere" in New Guinea, a Wac speeds mail to the men at the front.
In Normandy, India, Australia, Honolulu, England, North Africa, New Caledonia — Wacs are helping our fighting men hasten the hour of victory.
Working in highly skilled jobs that require nimble fingers, keen minds, steady nerves.
Keeping at the work of war with an inspired spirit. With a red-white-and-blue courage that will know no letdown until the fight is won . . .
Across the seas and around the world — they're making a glorious war record. The Wacs — gallant soldiers of the U. S. Army — the women all America is proud of.
