PASKE, SIMS WIN TOP PRIZE AWARD IN BOWLING MEET

With Dr. C. H. Paske putting together two five-strike strings and a spare in the middle to roll a big 278 game, the entry of Paske and Earl Sims made a runaway of the ragtime doubles bowling tournament concluded on the Medford alleys last night. Paske had games of 199, 201 and 276, while Sims totaled 601 on games of 244, 202 and 155. A handicap of 42 pins gave the winners a total of 1319.

Frank Little and Cliff Proctor got a 1290 to earn second prize. Little's 618 series and high game of 218 highlighted their series. Rolling on one of the late Sunday night squads, Lt. Ron Bressitt and Fred Amburgey spilled 1250 pins, mainly on Amburgey's 223 and 607 series.

In fourth place, with 1241, was the entry of Murray Bradley and George Witter, with fifth place going to Howard Jamison and Ralph Doty on a 1237 total. Wilton White and Wilkie Pruitt, leaders for several days, finished in the last prize position with 1235.

WAGNER TO HEAD WRESTLING CARD

"Gorgeous" George Wagner, self-styled toast of the coast who nearly incited a riot at last week's wrestling match, will face Gust Johnson, Pacific coast junior heavyweight champion, in the one hour top main event at Medford armory Thursday night, Promoter Maek Lillard announced today.

Ernie Piluso will come back to face Terrible Tenny Ross, who has been showing more dirty work on each card, in the four-round semi-windup. Ross is "burned up" because he lost on a foul to Johnson last week and will endeavor to take his spite out on Piluso in an effort to gain main event recognition.

A pair of roughnecks, Bulldog Jackson and Harold (Blood and Guts) Davidson, will open the card in a three round bout.

SNEAD FINISHES RICHMOND OPEN IN FIRST PLACE

By Hal Wood
United Press Correspondent
Richmond, Calif., Dec. 18.—(U.P.)—Sammy Snead, the "play 'em quick" kid, from Hot Springs, Va., busted the "gold dust" twins' monopoly on the professional golfing world wide open here yesterday, and the ex-navy man's play boded an ill future for Byron Nelson, Toledo, O., and Harold (Jug) McSpaden, the leading money winners of 1944.

As the year's final regularly-scheduled tourney ended, the Virginian captured his second tournament in four starts in the last month. He pushed through four sub-par rounds of 70-69-69-70—278 on the par 71—284 course to win by a single stroke over Smooth Charles (Chuck) Congdon, Tacoma, Wash., stylist.

Deadlocked for third and fourth were McSpaden and Nelson, each with 280 scores—two strokes away from first money. Snead won \$1600 in war bonds and brought his bond winnings for a month of play to \$5,755—which isn't hot for a guy who was drawing something slightly over \$100 per month in the navy.

Deadlocked for fifth place were Ky Laffoon, the methodical veteran from Chicago, and Sgt. Jim Ferrier, Camp Roberts, Calif., who shot the finest round—67—of the day, to pull up into the top money brackets. Each had a 283 total.

Heading the amateurs was Ernie Pleper, Jr., San Jose, Calif., the state amateur and open champion, with a 287 gross, followed by Ed Furgol, Detroit, with 288.

TWILIGHT TEAR HORSE OF YEAR

New York, Dec. 18.—(U.P.)—Calumet farm's Twilight Tear, a sweet bay lady who asks no favors from the gentlemen, stood out today as the first filly ever to win horse of the year honors.

Turf writers from all sections of the nation voted the Tear this honor by the second most convincing plurality in a nine-year poll conducted by the Turf and Sport Digest.

Winner of 14 of her 17 starts, Twilight Tear received 121 of a possible 154 votes to join such horse highway greats as Granville, War Admiral, Seabiscuit, Challenged, Whirlaway and Count Fleet. Only the Count, winner of 16 of 31 races and undefeated as a three-year-old, polled more votes in horse of the year balloting than did the Calumet filly.

Winners in other divisions were: Two-year-old colts, Walter Jeffords' Pavo; two-year-old fillies, Col. E. R. Bradley's Busher; four-year-olds and up, Greentree Stable's Devil Diver.

PACKERS DEFEAT GIANTS FOR PRO FOOTBALL TITLE

By Leo H. Petersen
United Press Sports Editor
New York, Dec. 18.—(U.P.)—They put the Green Bay Packers into the 1944 record books as the National Professional Football league champions today with the New York Giants on the losing end because the luck which had smiled all season deserted them in their hour of need.

Not that the Packers did not earn their 14 to 7 playoff victory yesterday, but their chore was made much easier because the Giants were without the services of two key men. The loss of Bill Paschal, the league's leading ground gainer, and Lew Calligaro, star blocking back, took the power out of the New York ground game and left old Arnie Herber's passing as their chief offensive weapon.

The Packers, winning their title to tie the Chicago Bears for the most number of championships won, beat the Giants at their own game—on the ground. They sprung Laws and Ted Fritsch loose for 17 and 27 yard runs, respectively, early in the second quarter and they carried to the Giant one from where the latter hit center for a touchdown.

Fritsch also scored the other Packer touchdown just before the half ended, taking a 28 yard pass from Irv Comp.

A crowd of 46,016 at the Polo Grounds set all kinds of playoff receipt records. Gross receipts were \$146,205.15, with the net \$121,703.24. The players pool also was the largest in history with the winning Packers receiving approximately \$1,500 each and the Giants about \$900 per man.

CANADIANS LEAD HOCKEY LEAGUE

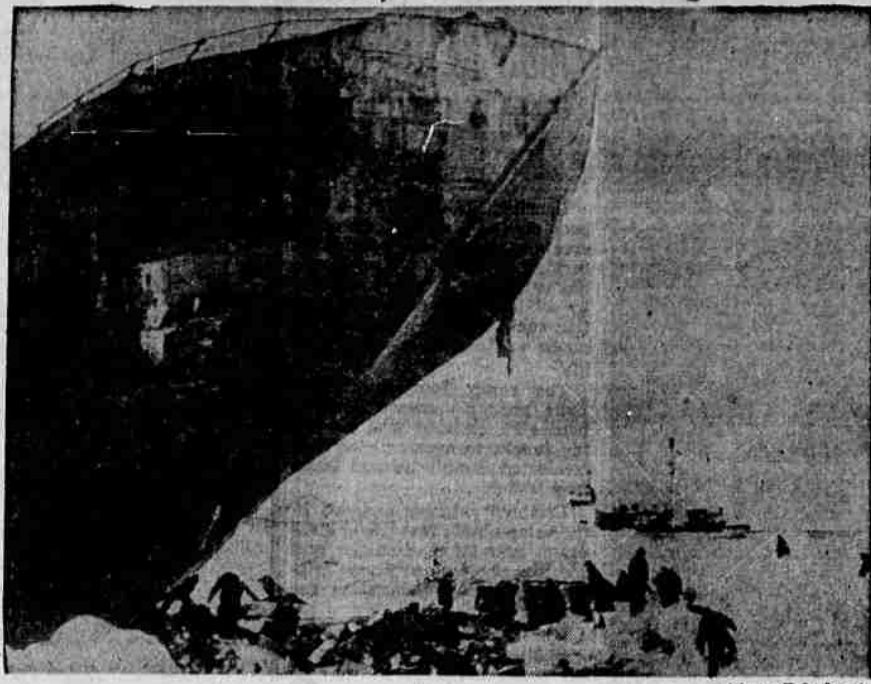

By United Press
The Montreal Canadiens, apparently set to repeat their last year's walkaway in the National Hockey league race, stretched their first place margin last night by beating the New York Rangers 4 to 1 in a rough game at Madison Square Garden.

In the only other game the Chicago Black Hawks continued their home ice jinx over the Detroit Red Wings, beating the Wings 2 to 1 to move into a fifth place tie with New York.

The Rangers took an early lead in their contest against the champions by counting in the first minute of play. Montreal, however, knotted the score in the same period and went on to win with ease.

At Chicago, where the Red Wings have been unable to win for two years, the loss prevented them from passing the idle Toronto Leafs in second place. In Saturday night games the Canadiens beat Boston's Bruins, 8 to 5 and Toronto and Detroit tied at 1 to 1.

Germans Attempt Greenland Landing

A Coast Guard prize crew takes over a 650-ton armed German trawler locked in ice off northwest coast of Greenland. The Nazis landed men to establish a weather station but were located by Coast Guard before they had completed installation. In addition to the trawler, two others were sunk and 60 men taken prisoners.

HAGG'S ROMANCE SHOWS SIGNS OF MAKING HEADWAY

By Norma Laver
United Press Correspondent
Oakland, Calif., Dec. 17.—(U.P.)—The story book romance of Gundar Hagg, Sweden's champion distance runner, neekle salesman and neophyte sports-writer, and his pretty American fiancée, Dorothy Nortier, showed signs of making headway today.

Qualifying her pronunciation with ifs, ors and buts, 20-year-old Miss Nortier revealed she hopes to marry the fast fireman from Malmo "sometime in April in San Francisco," presumably at conclusion of Hagg's forthcoming American running engagements.

"We'll probably live in Sweden—Malmo—and raise lots of little Hags," she said.

Miss Nortier revealed that she had been asked to go to Hollywood, presumably for a screen test, soon after her engagement was announced.

"But I'd rather make chicken a la king for Gundar," she smiled. "It's his favorite dish."

"The wedding is going to be very fussy," she announced. "Gundar would prefer a quick, simple ceremony, but since he says he understands how women feel about such things, I'm going to have a white gown, bridesmaids, and all."

JVILLE SPLITS IN HOOP SERIES

Jacksonville, Dec. 18.—(U.P.)—Jacksonville high school's basketball team broke even in a week-end series played on the Jacksonville court. Friday night the Redskins defeated Gold Hill 23 to 19 in a pre-season game that saw both teams playing fast and clean ball. Milkowski of Gold Hill was high with 12 points. "B" teams of the two schools played a 4-4 tie. No overtime was played.

Saturday night Camas Valley took the measure of the Redskins 27 to 15 with Barnhart of the winners high man with 11. Camas Valley is coached by Bill Bromley, former Jacksonville mentor.

HOPE, DUTRA WIN IN WELFARE GOLF MATCH

Long Beach, Cal., Dec. 18.—(U.P.)—Comedian Bob Hope and Olin Dutra defeated Crooner Bing Crosby and Willie Hunter 4 and 3 here yesterday in a welfare match before a joke-happy crowd of 5000 much more interested in Der Bingle than the ball.

The attendance rang up a total net of \$2036, to be used to build a pitch-and-putt golf course for the Long Beach naval hospital.

TORNADO TO PLAY NORTH BEND FIVE

Medford's Black Tornado, fresh from their 44 to 27 conquest of Coos Bay Saturday night will face a strong North Bend basketball team here Friday and Saturday nights. These games will give local fans an idea of how Medford will stack up against competition from the coastal regions of the state since Coos Bay and North Bend generally represent the strength of that region.

It will be the last home game here before Medford takes to the road to meet Salem and Albany. Next local game pits Medford against Ashland in a southern Oregon conference tilt.

ROXY WILL HAVE SUNDAY MATINEES

Effective now, the Roxy theater will discontinue its policy of having continuous shows every Sunday, having instead a matinee starting at 2 o'clock, with doors opening at 1:45, and regular evening shows with doors opening at 6:45.

The balance of schedules remain unchanged—nights only week days starting at 6:45 with matinee and evening shows on Saturday. The theater is closed all day every Wednesday.

EAST-STAR SQUAD IS ENROUTE TO COAST

Evanston, Ill., Dec. 18.—(U.P.)—Members of the East all-star football team who will meet the West all-stars on New Year's day in the 20th annual East-West game at San Francisco resumed their westward journey today after holding their first workout together in Northwestern University's Dyche stadium yesterday.

WORKMEN MUST OBTAIN SOCIAL SECURITY CARD

Klamath Falls—"Every person who gets work in private industry or commerce should have a social security card." This was emphasized today in a statement to employees in this area by Charles L. Maginnis, manager of the Social Security Board's field office at Klamath Falls, Ore., where social security cards may be obtained. "A social security card," Maginnis said, "immediately establishes an insurance account with the United States government and opens the door to eventual benefits under the federal old-age and survivors insurance system."

The purpose of this insurance, Maginnis explained, is to provide regular monthly payments for the family when the breadwinner grows old or when he dies. Since benefit payments are based on the worker's wages in employment covered by the law, "it is important," Maginnis said, "to have all wages correctly reported and recorded in your social security account. Part-time and temporary employment counts, too, and every dollar of wages from covered jobs up to \$3000 a year, helps to increase the protection."

Mr. Maginnis explained that the number on a worker's social security card is the same as that under which his account is set up in the Baltimore office of the Social Security Board. Many persons have the same name, but no two persons have the same number. "Be sure," said Maginnis, "that your employer records your name and account number exactly as they appear on your social security card. Keep your card in a compartment of your

holder of some kind. Put the stub, or lower half of the card, away in a safe place where it can easily be located. Then if you lose your card, the Social Security Board can give you a duplicate card immediately with the same number as was on the original. If you do not have the stub, or a record of your number, it will take time to get a duplicate. But don't lose your original card—issuing duplicates costs money, paper and time.

The field office manager pointed out the important part which the employer plays under the system. "He pays half the premium for your government insurance; he forwards to the government his own and your social security premiums; he reports the wages of every employee so that they may be recorded in the proper social security account; and he is required to provide each employee with a statement of the wages so reported by him."
