

SGT. HOLLENBECK SHARES CITATION

Sgt. Robert D. Hollenbeck of 722 North Riverside avenue is a member of a P-47 Thunderbolt fighter group which was recently awarded a distinguished unit citation for smashing two German armored columns near St. Lo on July 11, according to a news dispatch from the Ninth Air Force headquarters in France.

The Germans, attempting to drive a wedge into American lines extending from Bayeau to the Cherbourg peninsula, were spotted and attacked under a 1000 foot ceiling, the dispatch reads. Nearly a third of the tanks were knocked out. The Thunderbolts landed to refuel and rearm, then attacked again.

This time the Nazi tanks were only 200 yards from American positions. The second attack completely disrupted the enemy columns, the dispatch concludes.

Siskiyou Highway Reported Slippery

Ashland, Dec. 29—The Siskiyou mountain section of the Pacific highway is very slippery, according to a report from the weather bureau atop the mountain.

Chains should be used. Two or three inches of snow fell Wednesday night and snow plows have been unable to get the roads entirely clear of snow. In addition to the slippery condition, temperature on the mountain top was 28 degrees Wednesday.

The works of the great clock on the Campanile of the University of California at Berkeley are lodged in an underground vacuum.

AUTO STICKERS DUE JANUARY 1

Salem, Ore., Dec. 29 —(AP)—The new 1945 automobile registration stickers must be attached to vehicles on and after Jan. 1, Secretary of State Robert S. Farrell, Jr., warned Oregon motorists today. With only three days remaining in which to obtain the stickers, there are more than 250,000 who have not applied as yet.

A total of 165,376 applications have been received so far, Farrell said. Application may be made by mail to the Salem office, or in person to the two Portland branch offices of the state department.

The stickers should be placed on the upper part of the right-hand windshield, behind the rear-view mirror, Farrell said.
