**YOUR 1945
CALENDAR
Is Here!**

Two Kinds - Farm or City!

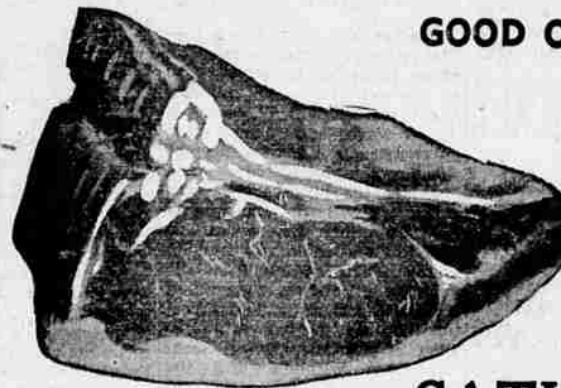

● Our 1945 calendars were selected with a view to their usefulness to you

The farm calendars provide a complete record of cream, eggs, feeds, plantings — in fact every farm activity plus tables of weights and measures—breeding records and hundreds of other useful farm facts. The city calendar besides a home budget record provides meal planning, recipes and hundreds of useful home hints.

They are very attractive—do not contain a lot of printed advertising and are suitable for hanging in any home. At either Groceteria—your choice of farm or city calendar.
