

**1945***Kampfer's Happy Big Y Family Extends—**Greetings to Our  
Many Friends*

Yes, it is a happy family, here at Kampfer's, and we're mighty proud of the spirit known as "morale" that's reflected in our friendly, courteous, cheerful contacts with the people of this community. We know that you've enjoyed your relations with our staff, for this friendliness, together with the quality of our merchandise and the fairness of our prices, has been a factor in your continued and generous

patronage throughout the year. These friends of yours, here at Kampfer's, join with the management in wishing everyone in southern Oregon a most prosperous and happy 1945. They join with us, too, in the hope that the New Year will bring Victory to America and Peace that will be firm and enduring.
