

APOSTOLIC FAITH EVANGELISTS TO CONDUCT SERIES

The Rev. R. Robert Crawford, general overseer of the Apostolic Faith, will arrive in Medford tomorrow with a party of eight other workers, for a series of evangelistic meetings at the local Apostolic Faith church, at North Central avenue and Third street.

With Rev. Crawford will be Mrs. Crawford, pianist; Mrs. Lena Ediger Wallace, organist; Rev. Audrey Wallace, formerly of Medford; Rev. Allan Crabtree, evangelist from San Francisco, and a young ladies' quartet composed of the Misses Virginia Walker, Rosalie Kaady, Mildred O'Brien and Anne Friesen of Portland. The quartet has been singing for appreciative audiences in Portland evangelistic work for some time. Mrs. Crawford and Mrs. Wallace have charge of the music in the Portland headquarters. The local orchestra and chorus, which has been a well-organized group for a number of years, will assist in all the services.

Sunday at 11 a. m., the campaign will open with dedication of the new Wurlitzer pipe organ, played by Mrs. Wallace. Installation of this organ makes the church outstanding in the Rogue River valley.

Rev. Crawford will have charge of the evangelistic part of the services, assisted by Rev. Crabtree. Theme of their sermons will be on the transforming power of the Gospel and the fundamental truths of the Word of God.

Personal testimonies are a part of each service. Of special interest will be talks by Robert Hanlin, SK 1/c, home on furlough.

The schedule of services follows: Sunday, devotional service

COMMIES WOULD ENTER DENIAL IN BRIDGES FIASCO

Washington, Jan. 12—(U.P.)—The Communist Political Association, nee Communist Party, wants to intervene in the Harry R. Bridges deportation case to deny the charge that party members seek the violent overthrow of the United States government.

The case of Bridges, president of the West Coast Longshoremen's and Warehousemen's Union (CIO), and alleged Communist, has been pending for five years and finally has reached the supreme court.

Bridges took the case there on appeal from a federal circuit court ruling in San Francisco which denied his appeal for rehearing of a decision that he should be deported to his native Australia as an undesirable alien.

Now submitted to the supreme court is a 100-page brief signed by Earl Browder, president, and William Z. Foster, vice president, of the Communist party, officers and members of the two being identical or practically so. The brief requests permission to intervene in the Bridges case for an opportunity to argue that the whole matter should be referred back to the justice department for hearings so that Bridges may be relieved of the deportation order and Communists be relieved of the government's charge that they are trying to upset the government by force.

The Bridges case is a five-year wonder of rulings, counter-rulings and appeals. It began in 1939.

Rev. Melvin Sparks To Preach Sunday On Medford Visit

Melvin Sparks, former minister of the Central Avenue Church of Christ, will preach at morning and evening services of the church next Sunday. He will also present a special musical number at each service.

Mr. Sparks left Medford over two years ago and has since ministered to churches at Oroville and Bell, Calif. He also helped establish two churches in the mountain district near Challenge, Calif. For about two years Mr. Sparks has published a church paper entitled, "Sparks Fly from the Anvil."

Mr. Sparks, accompanied by his wife and four small daughters, will visit for a few days in Medford and then leave for Cincinnati, Ohio, to make their home. Mr. Sparks plans to re-enter the Cincinnati Bible college for a year's study.

They will be house guests of Mr. and Mrs. Clarence Pierce on the Crater Lake highway.

TREASURY WARNS MONDAY DEADLINE FOR INCOME TAX

Washington, Jan. 12—(U.P.)—Treasury spokesmen reminded the nation at large today that Monday, Jan. 15, is an income tax deadline. It's the last day for:

1. Payment of the last installment by persons who filed estimated returns last year on their 1944 income, found they would owe something above what was withheld from their salaries, and elected to pay that excess in quarterly installments.
2. Amendment of estimated returns filed last year on 1944 income in the case of persons who now find they guessed wrong on their income and want to correct their returns. Penalties are provided for taxpayers who underestimate their taxes due by 20 per cent or more.
3. Filing of estimated returns on 1944 income by farmers.
4. Filing of estimated returns on 1944 income by persons who believed they were among the 35,000,000 taxpayers from whom no estimated return would be required, but who now find that for one reason or another they should have filed such a return.

Furthermore, the treasury pointed out, anyone who so desires may file his final return on 1944 income by January 15. In such case, no further action would be required on the estimated return. The final 1944 returns are not required, however, until March 15.

Estimated returns on 1945 income must be filed by March 15. Such returns were required for 1944 from single persons with income of more than \$2,700, married persons with income in excess of \$3,500 and anyone who made more than \$100 from non-withholding sources.

On March 15, they will be required from single persons whose 1945 income will exceed \$5,000; in the case of a married person, if income exceeds \$5,500 plus an additional \$500 for each additional dependent; and from persons who earned more than \$100 from non-withholding sources.

FILIPINO LEADER SAYS HIS RACE HELD INFERIOR

San Francisco, Jan. 12—(U.P.)—Antonio A. Gonzales, spokesman for Filipino groups on the west coast, told the conference on race relations today that the "only Filipinos who can fight for Uncle Sam must be either trained killers or trained dish washers."

Injecting the problems of Filipinos as a minority group into the conference, which thus far mainly has been concerned with resettlement of Japanese-Americans, Gonzales added:

"According to the law, you have to be either black or white to be an American citizen."

Prior to Gonzales' address, Dillon S. Myer, director of the war relocation authority, predicted the major problems of readjustment in the return of Nisei to the west coast would come within the next 60 to 90 days.
