

# APOSTOLIC FAITH REVIVAL SERVICE HOLDS INTEREST

The evangelistic services being held this week at the Apostolic Faith, North Central avenue at Third street, are reported progressing with success. The Rev. R. Robert Crawford, general overseer of the work, is in charge. He reports very good attendance at all the meetings and a number of converts; and adds that the people of Medford seem to appreciate the efforts put forth here.

Groups of members and inquirers from Klamath Falls, Ashland, Grants Pass, and other towns in the Rogue River valley

have attended the meetings. The young ladies' quarter, of Portland, and Mrs. Agner Ekelund, soprano, of San Francisco, have pleased the audience with their special arrangements of negro spirituals and medleys of gospel songs. Monday evening they sang for enthusiastic groups at the Camp White hospital.

The new Wurlitzer organ continues to hold special interest, as Mrs. Wallace plays an organ prelude at the beginning of each service. Miss Naomi Frost is regular organist at the church and has charge of the local 27-piece orchestra and 21-voice chorus, which take a prominent part in all the meetings.

Tonight the meeting opens at 8 o'clock. Rev. Crawford will preach. There will be three meetings Sunday—a devotional service at 11 a. m., young people's meeting at 3 p. m., and an evangelistic service at 8 p. m., opened with a short concert by the musical organizations. Special fea-

tures are promised for each service.

A collection is never taken, and the people of the Rogue River valley are cordially invited to all these meetings, those in charge said today. The local pastor is Rev. C. W. Frost.

### Fellowship Dinner Welcomes Pastor

Zion Lutheran Church welcomed their newly-called pastor with a fellowship dinner which followed the morning service Sunday. Pastor Hansen and his family arrived in Medford late last week from Fresno, Calif., and are making their home at the parsonage, 518 West Fourth street.

Plans are being made for installing the new pastor at a vesper service Sunday evening at 7:30. The Rev. J. L. Sawyer, president of the Pacific Synod of United Lutheran Church of America will be the ecclesiastical official in charge of the service.

## Spiritual Temple To Hold Services Sunday Evenings

Universal Spiritual temple announces that services will be held hereafter each Sunday evening at 8 o'clock at Hotel Medford auditorium instead of Wednesday as in the past.

Edward C. Le-Vyne, D. D., pastor, promises many demonstrations and lectures on proof of this spiritual work, the "natural laws of God" from the Christian Bible. Dr. Le-Vyne has been all over the world in his Christian work and is considered a great psychic Bible medium, having nearly 45 years' experience.

Dr. Le-Vyne declares he works "under a natural law and that Jesus the Christ and his apostles did the same work in their day and that is where the Bible originally came from; through prophecy, seership and mediumship of the higher teachings of Jesus the Christ. This illustrates the method of approach of the messages received and the development of the fluid lucid communications with the world beyond death."

## Friends Churches To Hold Series Of Missionary Rallies

Friends churches of the valley are sponsoring the appearance of Joseph G. Reece, general superintendent of the denomination, in a series of missionary rallies over the weekend. Supt. Reece recently returned after an extended tour in Mexico, Guatemala, Panama, Peru and Bolivia, and will show color film-slides of his travels.

A schedule of his engagements follows:

## SAFEGWAY ASKS REVIEW OF PROTESTS ON OPA

Washington, Jan. 19—(AP)—Safeway Stores, Inc., grocery chain operator in 23 states and the District of Columbia, today petitioned the supreme court for review of two complaints protesting food and meat price regulations issued by OPA Administrator Chester Bowles.

Safeway contended that five regulations and a general order establishing price ceilings and maximum mark-ups on food-stuffs had resulted in price allowances in favor of the chain's competitors in other sales volume groups.

# MONTGOMERY WARD'S TELEGRAM TO THE PRESIDENT

January 17, 1945

The President of the United States  
White House  
Washington, D. C.  
Mr. President:

At your personal direction, the Army seized Wards stores on December 28, 1944.

On the same day, you directed that a suit be filed in Federal Court to decide whether you had any right to order this seizure.

The Constitution makes it the supreme law of the land that "No person shall be deprived of life, liberty, or property without due process of law." The Supreme Court has said that an order which is before the courts should not be executed before the judges have declared its legality.

In defiance of this safeguard of liberty, you have ordered the Army to place in immediate effect the arbitrary and illegal orders of the War Labor Board without awaiting the decision of the court.

You have ordered these War Labor Board directives placed in immediate effects despite the fact that the courts have held them to be legally unenforceable, and despite the fact that in issuing them the board refused to give Wards the hearings required by the War Labor Disputes Act.

You have ordered the Army to place in effect a wage directive at Portland, Oregon, which a representative of the War Labor Board admitted on January 9, 1945, was unworkable.

You have ordered the Army to place in effect wage directives at St. Paul, Minnesota, which unfairly discriminate against sixty per cent of the employees. When several hundred walked off their jobs in protest against your command, the Army forced them to return by threats of criminal prosecution.

You have ordered the Army at Denver, Colorado, and Jamaica, New York, to increase wage rates which the War Labor Board admitted were already higher than those paid by Wards competitors. No increases have been ordered against these competitors.

Finally, and most importantly, you have ordered the Army to impose that form of the closed shop called Maintenance of Membership. Obedience to your order will require the discharge of all employees who have chosen not to maintain their union membership, and deny to them the liberty to choose whether or not they wish to remain union members.

Wards, in opposing the closed shop in all of its forms, has not been prompted by any feeling of anti-unionism. Wards has fully recognized the freedom of all of its employees to join or not to join a union, as they wished, and has assured all employees that their opportunity with the company will be the same whether they are union members or not. Wards refusal to accept the closed shop arises solely from a determination that its employees be secure in their individual liberty to join a union or not—free of the fear of physical injury, damage to their property or loss of their jobs.

Wards, in opposing the closed shop, has not acted against the wishes even of its unionized employees. In the seized store at Chicago on December 15, 1944, ninety per cent of the employees through a signed petition declared against the maintenance of membership requirement. Spokesmen for the unionized employees in the four seized stores at Detroit have openly stated that they do not desire maintenance of membership.

Wards has been singled out for unequal treatment. The Army has been used to enforce orders of questioned legality without first giving the courts an opportunity to make a decision. These are the methods of dictatorship.

The legality of your order commanding the seizure of Wards properties is now before the courts for decision. Wards respectfully calls upon you to order the Army to withhold the taking of action which would deprive Wards employees of their liberties and Wards and its customers of the property until the case has been decided in the courts as required by the Constitution.
