PHOENIX PLANS ACTIVITIES FOR POLIO CAMPAIGN

Phoenix, Jan. 19—Plans are being made for two community projects for the polio fund. Ways and means committee of the grange is planning a dance Saturday, Jan. 20, at 9 p. m., with good music and a good time assured. The home economics committee will serve a lunch during intermission.

On February 2, the basketball team of the high school will play the Talent high school team on the local floor. This will be a polio benefit game.

All in the community are asked to plan to attend.

March of dime banks have been placed in Mrs. Johnson's Lunch Room, Rathburn's Confectionery, Phoenix Mercantile, and Prince's Grocery. Any dime dropped in these banks will help swell the sum and help the cause.

Anyone in the community who wishes to make a special donation and be given credit for the same, is asked to contact the community chairman, Elva Caster, who is anxious to make the usual good report for this community, and will be glad to cooperate in any way possible.

10,000 CHINESE DIE ON STARVATION MARCH

Chungking, Jan. 19.—(U.P.)—Madame Feng Yu Hsiang, wife of the Chinese "Christian General," reported to Chungking's YMWA today on her return from the Kwangsi-Kweichow front in south China that 10,000 of 40,000 civilian Chinese refugees in the area had died of starvation.

She said she saw a "sea of human heads" struggling along the Kwangsi-Kweichow road as the Chinese still fled from the now-stemmed Japanese offensive that once threatcned to engulf Kweichow province and the communications center of Kweilin.

THE GRANGE

Lake Creek Grange

Lake Creek Grange met in the first session of the new year, with Worthy Master Lloyd George presiding.

Tom Stanley, on the special basement committee, thanked all the members for their help in completing the work on the basement. Thanks are especially due two of new members, Chan Stokes and Harve Strahm.

Mabel Stanley, chairman of the H. E. committee, reported on the last dance. Funds from the dances have been the main factor in making the basement project possible.

The members were happy to receive the greetings from Myrtle Charley. Myrtle and Reed Charley are at Carlsbad, Calif., visiting their grandson and daughter.

Our new worthy lecturer, Ozie Burrell, had prepared a very interesting program. Mabel Brown read an article on electricity. We are in hopes all our homes here will be electrified in the near future.

Joan Damon sang and played her own accompaniment.

The Virginia reel was enjoyed by all as the concluding number.

Next Grange meeting is Feb. 9 at 8:30 p. m. All Grangers are invited.
